Re: USDA-Rural Development Pre-Application for Montgomery County High School

Dear Mr. Woodard:

Attached to this letter is Form AD-622 Notice of Preapplication Review Action. This form indicates that your organization is eligible for Rural Development assistance. Please note that loan approval has not been granted at this time and that funding is contingent upon the economic feasibility of your project, Rural Development loan priorities, and funding allocations at the time the project is presented for approval. You are also cautioned about taking any actions or incurring any obligations which would either limit the range or alternatives to be considered, or which would have an adverse affect on the environment.

It is now appropriate for you to complete a final application for Federal assistance. I would like to meet with you in your office to discuss your proposal further at your earliest convenience. Please contact me with a date and time that will best for you to meet.

Thank you for the opportunity to serve you. I look forward to seeing you soon.
