County Manager's Budget Message

FY 2019/20

The proposed budget for Fiscal Year 2019-20 for Ashe County, North Carolina has been prepared in accordance with the North Carolina Local Government Budget and Fiscal Control Act and NC General Statute 153A-82.

This budget represents a forecast of the coming budget year and the priorities of our local government. It also represents the hard work of each of our county departments and employees. The quality and dedication they bring to their jobs is worthy of recognition and praise.

The process of preparing the budget began in March when each department was asked to prepare their budgets and priorities. Since then Sandy Long, Finance Director and I have met with each department and other local agencies to hear their budgetary requests.

With some exceptions, each department and agency has been able to maintain their spending levels and operational costs from the previous year. However, there were some circumstances beyond their control that caused increases to personnel which include insurance, and retirement. Additionally, a 2% cost of living adjustment and an increase in the part-time wages is being recommended in this budget for employees.

<u>Insurance:</u> While there is continued uncertainty on what healthcare markets will look like in the future, there is certainty around the fact that health insurance rates will increase this year for the County to continue coverage of employees.

Retirement: The NC Local Government Retirement System is projecting increases for employer contributions for both law enforcement (LEO) and local government employees. For LEO, the employer contribution will increase from 8.5% to 9.7% while contributions for other employees will increase from 7.82% to 9.02%. There are two major reasons, outside the control of the county, that have caused these increases. One, more people are moving toward retirement and those who have put off retirement because of the recession are now reconsidering. Secondly, the state system has not seen positive or expected returns in the last calendar year which has necessitated the rate increase to cover benefits.

<u>Airport:</u> Within the airport budget, there is \$141,603 in capital projects to leverage nearly \$4.7 million in Federal and State funding. Projects in this budget year include construction of a waterline to serve the airport, the parallel taxiway and apron expansion, fuel farm, and fencing project.

Board of Elections: The elections budget includes \$140,000 in capital outlay for new voting equipment.

<u>Tax Administration</u>: The tax administration budget contains support and maintenance of operations which includes our modern collections system and online billing, tax mapping and continued enforcement of delinquent taxes. This budget also incorporates a new addressing software system to improve our E911 database and streamline our addressing for new homes.

<u>Public Buildings:</u> Proposed in Public Buildings and Maintenance is an increase in expenditures for utilities to bring the commercial kitchen back online, to bring natural gas to Family Central, and \$60,000 to replace an aging fleet of vehicles

<u>Environmental Services:</u> This budget proposes an increase in the household Solid Waste Disposal fee of \$20 annually or \$1.66 monthly per household. This increase will maintain the current level of service at our five existing convenience sites and at the landfill. The increase in the fee will pay for additional heavy equipment to keep operations going at the landfill, proposes a new convenience site to serve the eastern part of the county, and make more permanent improvements to the Highway 16 site.

<u>Law Enforcement:</u> The law enforcement budget includes an increase of 5% over the previous year. The increase is comprised of a reclassification in personnel, one new position (Administrative Coordinator) and 3 new vehicles to continue to rotate out older high mileage patrol vehicles. Other increases are to cover retirement benefits, fuel, supplies and other operational cost.

<u>Corrections:</u> The corrections budget similarly includes increases for operational costs and also for part-time wages for corrections staff and the addition of a part-time chaplain. The proposed budget does not include the requested \$260,000 for a new camera system, not because the equipment is not needed, but because the proposals may require additional fine tuning. This is a request that warrants further discussion.

<u>Local Agencies:</u> Each year the county makes contributions to local agencies and supports programs that the County simply does not have the capacity to provide without the support of these local stakeholders. These stakeholders include BROC, A Safe Home for Everyone, Ashe Services for Aging, the American Legion and the Ashe County Homeless Coalition. The proposed budget for 19/20 includes maintaining the same level of funding for these agencies from the current year's budget.

<u>Education</u>: This year's budget continues our support of our school board, with a 4.5% increase over last year's budget. Sales tax projections show that there will be continued support for the development and construction of the new middle school and the expansion of the Ashe Campus of Wilkes Community College.

Conclusion: The proposed budget for the General Fund for fiscal year 2019/20 is \$37,153,467. The revenue neutral rate is .4443. This proposed budget is recommended with no change from the current tax rate. Three local fire departments have requested an increase in their tax rate. Laurel Springs has requested to increase their tax rate from .04 to .07, Warrensville has requested to increase their tax rate from .068 to .08 and New River has requested to increase their tax rate from .04 to .07.

I believe that this budget represents a well thought out proposal which includes the hard work of each department of this county. Without their hard work and dedication, it is my belief that we would not be in such good financial standing as we are currently in.

However, it warrants mentioning that the county has major expenses on the horizon including the construction of a new middle school, the Wilkes Community College expansion project, the potential of the old middle school and proposed new buildings for the Department of Social Services, the Health Department, Environmental Services and Animal Control, all of which have been identified as future capital projects. Operational expenses continue to rise, such as fuel, retirement and health insurance and to meet these needs, additional sources of revenue may be required.

The presentation of this year's budget also marks the one year anniversary of my interim status as County Manager for Ashe County, having come in at the tail end of last year's budget discussions. For myself, this experience has been invaluable and I appreciate the Commissioners for giving me this opportunity and entrusting me with this responsibility. I look forward to continuing this service at the pleasure of the Board. It is also worth mentioning, that I would not have accepted this responsibility without the help of Sandy Long, Finance Director. It is with her experience, knowledge and hard work that this budget comes to you today. This budget document also would not come together without the help of the entire Finance and Administration Departments including Angie Eggers, Teresa Bare, Ashley Lambert, Barbara McCoy and Ann Clark.

I respectfully submit this budget to the Board of Commissioners, and welcome discussion of this proposal.

Adam Stumb

Interim County Manager

Be it ordained by the Board of Commissioners of Ashe County, North Carolina, in regular session assembled:

Section 1: The following amounts are hereby proposed for the operation of Ashe County Government and its activities for the fiscal year beginning July 1, 2019 and ending June 30, 2020 according to the following summary and schedules:

		Fund

Page 42

Section 28:

There is hereby proposed for the fiscal year ending June 30, 2020 the following rate of taxes on each one hundred dollars (\$100.00) assessed valuation of taxable property as listed as of January 1, 2019 for the purpose of raising the revenues from current year's property tax as set forth in the foregoing estimates of revenue in order to finance foregoing appropriations.

Tax rate per one hundred dollars (\$100.00) assessed valuation

\$0.443

Such rate is based on a total appraised value of property of taxation of \$4,005,056,285.00 with an assessment ratio of 100% of appraised value. Collection rate of 96.07% is based on fiscal year 2017/2018 collection rate of 96.07%.

Proposed this the 20th day of May, 2019.

Adam Stumb Interim County Manager
