Jefferson, North Carolina 28640

County Manager's Budget Message

FY 2021/22

The proposed budget for Fiscal Year 2021/22 for Ashe County, North Carolina, has been prepared in accordance with the North Carolina Local Government Budget and Fiscal Control Act and NC General Statute 153A-82.

Current Budget FY 2020/21: As anticipated, the current fiscal year (FY20/21) brought plenty of uncertainty surrounding the pandemic. Some revenue numbers have been growing, with sales and occupancy taxes driving the gains because of local travel and sales generated from federal stimulus payments. While these gains have been beneficial, there can be no expectation that they will continue into the coming year, and new obligations will only diminish those gains.

In the current budget, the Board of Commissioners supported many projects and advancements for the future of development in our county. In Law Enforcement, the Board was able to purchase 23 body cameras, 35 viper radios, a new van for inmate transports, 5 new vehicles and has funded the addition of 4 new deputies. This represented an investment of \$950,000 in law enforcement. Work has also continued this year on the Ashe County Industrial Park Expansion on Ray Taylor Road, seeing the purchase of the property and planning for development. In the coming fiscal year, with funding in place, we hope to break ground. Additionally, construction will conclude at the new Highway 163 Convenience Center, with work to be completed by June 30. Finally, by the end of this budget year, we will have completed preliminary drawings and schematics for a much-needed Department of Social Services Building and Health Department Building.

Proposed Budget: If last year's budget was crafted around unexpected circumstances, then this budget will follow suit. As we ease out of the pandemic, we will experience shifts in travel, employment, building costs, fuel prices and other expenses associated with serving the public. With that, a conservative approach was taken towards spending; however, a more aggressive approach to generating revenue was taken to lay the groundwork for upcoming projects. These ambitious projects coming up in the future include the new Ashe County Middle School, Department of Social Services Building, Health Department building, development of the old middle school, as well as maintaining a healthy fund balance.

Law Enforcement: This year's budget is a continuation of support for our law enforcement through the purchase of 4 new vehicles, SWAT entry vests, ballistic vests, tasers and the full funding of 41 full-time positions. Additionally, in the Corrections budget, there is funding for the purchase of needed equipment and a new camera system to allow for better monitoring of inmates.

Environmental Services (Collections/Disposal): The Collections operational budget shows an increase over last year to accommodate the addition of the new Highway 163 Convenience Center. One new position, a truck driver/mechanic, has been added to make additional trips between the 163 site and the landfill. A new roll-off truck is also proposed to replace an aging fleet and accommodate more trips, providing relief to all the convenience centers. Some additional equipment expenses have been put off this year but will be revisited next year after the payoff of the existing financed equipment, including a garbage truck and track loader plus a compactor that will paid off after three remaining payments.

Department of Social Services (DSS): DSS has requested one full-time temporary position and additional funding in foster care to deal with the increased burden on staff from accommodating additional children in the foster care network. While foster care represents the largest proportional increase in the DSS budget, the hope is that we will see a decline in the need for foster care as children are moved into permanent homes and school and home life for children return to normal following the pandemic and a particularly taxing time.

Education: As the new middle school project gets underway, our obligation to pay for the project begins when contractors start work late this summer. The financing of the project will be finalized in July, and payments could begin in FY21/22 or possibly early FY22/23. The largest payments will be in the first few years of the finance period, requiring additional revenue to cover.

Finally, Ashe County has experienced a steady tax rate for the past 15 years with an average rate of .42 and the current rate at .443. While this rate remains one of the lowest in the state, this should not be a badge of pride if the county is unable to pay its past and future obligations.

First and foremost, the Ashe County Board of Education and the Board of Commissioners have committed to the construction of a new middle school for our children. When initially planned, this construction was projected to cost the county \$40 million. Now, as construction prices continue to climb, the middle school project cost could rise to as much as \$55-60 million. Over the past two years, the statewide average construction cost for middle schools has increased from \$231.28 to \$275.46 per square foot, according to the NC Department of Public Instruction.

The county must be ready to meet its own obligations in providing sufficient pay for law enforcement and all county employees, as well as offering modern facilities for our Department of Social Services and Health Department. The citizens of Ashe County also have high expectations for the development of the existing middle school into a high-quality recreation

facility in the near future. Over the past 15 years, county departments have continued to provide the same level of service despite the growing costs of fuel, equipment, insurance, retirement and unfunded mandates imposed by state agencies.

To meet these obligations, the proposed budget for the General Fund for Fiscal Year 2021/22 is \$40,199,175 with a proposed tax rate of .51. At this rate, Ashe County would remain the 15th lowest county tax rate in the state, ahead of many coastal and mountain communities like Brunswick, Watauga and Dare counties.

This budget is the compilation of all the hard work of each of our county departments to provide a high level of service while being good stewards of the money entrusted to us by the public.

This budget would not be possible without the hard work of the entire Finance and Administration Department led by Sandy Long and including Angie Eggers, Teresa Bare, Ashley Lambert, Ashley Honeycutt, and Brenda Miles.

I respectfully submit this budget to the Board of Commissioners and welcome the discussion and input of the Board.

Adam Stumb County Manager

Be it ordained by the Board of Commissioners of Ashe County, North Carolina, in regular session assembled:

Section 1: The following amounts are hereby proposed for the operation of Ashe County Government and its activities for the fiscal year beginning July 1, 2021 and ending June 30, 2022 according to the following summary and schedules:

		Fund		
	Estimated	Balance	Total	Proposed

Section 28:

There is hereby proposed for the fiscal year ending June 30, 2022 the following rate of taxes on each one hundred dollars (\$100.00) assessed valuation of taxable property as listed as of January 1, 2021 for the purpose of raising the revenues from current year's property tax as set forth in the foregoing estimates of revenue in order to finance foregoing appropriations.

Tax rate per one hundred dollars (\$100.00) assessed valuation

\$0.51

Such rate is based on a total appraised value of property of taxation of \$4,065,762,148.00 with an assessment ratio of 100% of appraised value. Collection rate of 96.36% is based on fiscal year 2019/2020 collection rate of 96.36%.

Proposed this the 17th day of May, 2021.

Adam Stumb

Ashe County Manager
