The Juvenile Crime Prevention Council (JCPC) has studied the risk factors and needs of Juvenile Court involved youth in this county and hereby publishes this Request for Proposals. The JCPC anticipates expansion funds from the NC Dept. of Public Safety, Division of Juvenile Justice in the amount stated above to fund the program types specified below. Such programs will serve delinquent and at-risk youth for the state **fiscal year 2019-2020** beginning on, or after, **July 1, 2019**. The use of these funds in this county **requires a local match** in the amount specified above.

The JCPC will consider proposals for the following needed programs:

Parent Family Skills

Psychological Evaluations/

Substance Abuse Treatment

Interpersonal Skills

Assessments

Academic Enhancement/Tutoring

Mentoring/Peer Mentoring

Temporary Shelter Care

Vocational Development

Restitution/Community Service

Proposed program services should target the following risk factors for delinquency or repeat delinquency:

Youth who lack prosocial peers, who sometimes or regularly associate with delinquent peers, have moderate or serious school behavior problems, who have substance use or abuse issues, whose parents are willing but unable to appropriately supervise their children.

Programs should address the following concerns as reported in the Needs Assessments for adjudicated youth:

Peer Domain:

Youth who lack prosocial peers, or sometimes or regularly associate with delinquent peers.

Individual Domain:

Youth with mental health and/or substance use/abuse needs or who have a history of victimization.

Family Domain:

Youth who reside in homes with domestic discord or violence, have parents in need of parent skill building classes, reside in homes where one or more family members uses or abuses alcohol or drugs or have family members who are involved in the criminal justice system.

School Domain:

Youth who have moderate or serious school behavior problems that include truancy, short term suspensions or long term suspensions or have school behavior issues.

Applicants are being sought that are able to address items below:

1. Program services compatible with research that are shown to be effective with juvenile offenders.
2. Program services are outcome-based.
3. The program has an evaluation component.
4. Program services detect gang participation and divert individuals from gang participation.
5. The program has a transportation component.
6. The program serves youth ages 6-17 or youth who are under juvenile court supervision.
7. Applicants are encouraged to be innovative and submit proposals that meet multiple program needs.

Local public agencies, 501(c)(3) non-profit corporations and local housing authorities are invited to submit applications to provide services addressing the above elements.
