

NEW RIVER SOIL & WATER CONSERVATION DISTRICT/COUNTY OF ASHE POSITION VACANCY

District Resource Conservation Specialist

The New River Soil and Water Conservation District is seeking applications to fill a vacancy as a District Resource Conservation Specialist. Successful applicant is responsible for assisting/implementing the technical programs of the New River & Alleghany Soil and Water Conservation District. Primary responsibilities include developing conservation plans, administering cost sharing programs available through the Soil and Water Conservation District, and educating landowners, farmers, government agencies and the general public on conservation practices. Applicant must exercise tact and courtesy in frequent contact with the general public. Salary: \$39,960.53 annually plus excellent benefits package. This is a temporary position and will be contingent upon the availability of grant funds. For a full job description and a Form PD-107 application, visit www.ashecountygov.com, or contact the NC Works office at 336-982-5627. Job posting can also be found at www.indeed.com. Completed applications may be mailed to County of Ashe, Attn: Human Resources, 150 Government Circle Suite 2500, Jefferson NC 28640 or emailed to humanresources@ashecountygov.com. Faxed applications may be submitted to 336-846-5516. Deadline for applications is Tuesday, December 16th, 2025 at 5:00 p.m. Criminal records check and pre-employment drug testing is required. **EOE/AAE**
