*I understand by signing this permit I am acting as the General Contractor and that I'm taking on all the responsibilities of a General Contractor this includes among others make sure all inspections are done at the appropriate time. I also understand that if any code issues arise it is my responsibility to correct these issues or have them corrected by the proper sub contractor. I understand that acting as the General Contractor all other contractors are acting as sub contractors even if they have general contractors licenses or not. I understand it is my responsibility to order all building materials, line up licensed sub contractors (Electrical, Plumbing & Heating Contractors) and to schedule inspections. I also understand that I have to occupy this structure for a period of twelve (12) months before it can be sold. I also understand that it is my responsibility to make sure that all sub contractors and my employee are covered by workers compensation insurance.*
