— ADVOCACY & ELECTIONS —

Mississippi Statewide COVID Survey

August 19-20, 2021

N = 684

Q1 Do you believe the state of Mississippi as a whole is headed in the right direction or the wrong direction?

- 32.3% Right direction
- 47.1% Wrong direction
- 20.6% Unsure

Q2 Have you or someone in your household ever had or tested positive for COVID?

- 40.2% Yes
- 59.8% No

Q3 Have you been vaccinated for COVID?

- 58.0% Yes
- 13.4% No but I plan to
- 28.6% No and I do not plan to

Q4 Are all other members of your household who are 12 years old or above also vaccinated?

- 80.2% Yes
- 19.8% No

Q5 If you or someone in your household has not been vaccinated, what would say is the main reason why?

- 0.9% You can't get off work or find childcare
- 1.4% You don't have access to health care professionals
- 1.9% You don't have transportation
- 22.3% You want to wait to see how the vaccine affects other people before getting it yourself
- 27.9% You don't believe the vaccine is safe or effective
- 23.2% You don't trust the government
- 22.4% Other

Q6 Do you wear a mask while indoors in crowded places like grocery stores, movie theaters, and restaurants?

- 57.0% All or almost all the time
- 18.7% Sometimes but not always
- 24.3% Rarely or never

Q7 Which of these reasons is the closest to why you don't wear a mask while indoors?

- 54.1% You don't believe masks work to prevent the spread of COVID
- 8.3% It is inconvenient or uncomfortable
- 16.9% It is not required in most places you go
- 12.9% You have been vaccinated already and aren't concerned about getting the virus
- 7.8% Other

Q8 When it comes to mask mandates for the general public, who should be in charge of deciding to implement them?

- 24.9% Local elected officials
- 4.9% State legislature
- 19.4% Governor
- 12.8% Federal government
- 37.9% No one should be allowed to mandate mask wearing

Q9 Do you believe that children under 12 who are not able to be vaccinated should be required to wear masks in school this fall?

- 55.9% Yes
- 32.2% No
- 11.9% Unsure

Q10 Do you think private businesses whose employees interact directly with the public should be allowed to require their employees to get the vaccine in order to continue working?

- 43.1% Yes
- 45.7% No
- 11.2% Unsure

Q11 Should private businesses, like movie theaters, restaurants, stores, and concert venues be allowed to require customers show proof they have been vaccinated before entering?

- 39.5% Yes
- 52.4% No
- 8.1% Unsure

Q12 The federal government has given Mississippi \$1.8 billion in Covid relief funds but they cannot be spent until the legislature meets to allocate these funds. Would you support or oppose a special session of the legislature to spend this funding to shore up hospitals, pay health care workers and take other measures to fight the COVID-19 pandemic?

- 75.0% Support
- 11.3% Oppose
- 13.6% Unsure

Q13 Are you concerned about whether you or a loved one will be able to get access to quality medical care in the event of an emergency due to the large number of COVID patients in our ICU wards and hospitals?

- 63.9% Yes
- 25.8% No
- 10.3% Unsure

Q14 Currently ICU wards in our state's hospitals are full and we have the highest number of COVID patients all year. More than nine in ten people in the hospital for COVID are not vaccinated. Should hospitals be allowed to deny admission to COVID patients who had refused to get vaccinated?

- 16.0% Yes
- 74.8% No
- 9.3% Unsure

Q15 Should hospitals be allowed to give priority in the Emergency Rooms and the Intensive Care Units to people who have been vaccinated for COVID over those who had refused to get vaccinated?

- 25.2% Yes
- 59.8% No
- 15.0% Unsure

Q16 Should health insurance companies be allowed to deny coverage for Covid-related hospital costs for persons who had refused to get vaccinated?

- 18.2% Yes
- 71.6% No
- 10.2% Unsure

Q17 How old were you at your most recent birthday?

- 17.0% 18 to 34
- 15.0% 35 to 44
- 20.0% 45 to 54
- 23.0% 55 to 64
- 25.0% 65 or older

Q18 For statistical purposes, please tell us your ethnicity.

- 31.0% African American or Black
- 0.5% Asian American
- 66.0% Caucasian or White
- 0.5% Hispanic or Latino
- 2.0% Other

Q19 What is your gender?

- 45.0% Male
- 54.0% Female
- 1.0% Nonbinary

Q20 For statistical purposes, please tell us about your educational attainment.

- 7.0% Less than a high school education
- 32.0% High school graduate
- 14.5% Attended college but did not graduate
- 8.5% Graduated from two-year college
- 24.0% Graduated from four-year college
- 14.0% Obtained an advanced degree

Q21 How would you describe your partisan affiliation when you vote?

- 36.2% Strong Republican
- 12.4% Lean Republican
- 22.0% Independent
- 7.4% Lean Democrat
- 22.0% Strong Democrat
