# OFFICIAL VOTING RECORDS SHOW YOU MAY NOT HAVE VOTED SINCE 2012.

Many people in your precinct haven't voted since President Obama was elected.

My campaign is focusing on neighborhoods like yours with the goal of matching the turnout we saw in the Obama elections. We believe if we can do that, we will win.

Polls are open from 7:00am to 7:00pm.  
Your polling place:

[ Name ]

[ Precinct ]

[ Address ]

After the election, the Democratic Party is going to check public records to see if voter turnout in your precinct matches turnout in Obama elections.

Can I count on you to go to the polls and vote on November 6th?
