

Across the country, fast food workers like you are taking personal risks to raise wages and improve working conditions in the fast food industry and other low-wage sectors. Your courage inspires! Thank you so much!

From February 18 to April 4, people of faith and goodwill are pledging to Fast from Fast Food in solidarity with fast food workers across the country who are calling for \$15 an hour and the right to form a union without retaliation. The faith community commits to raise awareness about the moral imperative and to pray for workers, their families, and the growing Fight for \$15 movement every day.
