

You shall not wrong a stranger or oppress him, for you were strangers in the land of Egypt.
– Exodus 22:21

Dear Representative,

As a concerned constituent and a person of faith who recognizes and honors the social and economic contributions made by immigrant workers, I urge you to support a meaningful and real overhaul of our country's broken immigration system.

You have the opportunity to pass comprehensive immigration reform that provides a clear path to citizenship, protects workers and preserves family unity. Too much is at stake. We can no longer wait.

Our immigration system is broken. Workers are exploited and families are being torn apart. Our communities and congregations suffer as a result. I look forward to monitoring your public position on this vital issue to our nation.

Sincerely,
