

# For Dignity & Respect:

People of Faith Standing with Walmart Workers

We, the members of \_\_\_\_\_ [DENOMINATION] believe that all people should be treated with dignity and respect, regardless of their life circumstances.

We believe that all hardworking people should be able to provide for their family while working in a safe environment, free of discrimination and retaliation, and where they are free to exercise their basic right to organize.

This is why we choose to stand with Organization United for Respect at Walmart (OURWalmart) members and other Walmart store and supply chain workers in the struggle for better working conditions and respect on the

We call on Walmart to stop harassing and retaliating against workers who are simply trying to advocate for a safer work environment. We also ask Walmart and its executives to move from a culture of intimidation and injustice to one of dignity and respect. Walmart should adopt policies that offer a living wage, affordable healthcare and safe working conditions for all its workers.

We commit to supporting OUR Walmart members and Walmart associates who choose to boldly speak out about their working conditions, and will walk with them in solidarity until Walmart is a safe place to work where all workers are treated with respect and dignity. This means that:

1. We will raise awareness in our communities about the efforts of OUR Walmart and get others to stand in solidarity with OUR Walmart members.
2. We will participate in National Days of Action in support of Walmart store and supply chain workers.
3. We will pray for Walmart workers.
