Groundbreaking Ceremony

On February 6th, Onslow County Commissioners broke ground on the second industrial shell building for Onslow County. This industrial shell building will be located at Lot 22 on Luther Midgett Road, in Burton Business & Industrial Park. It will be a 30,000 SF building expandable to 60,000 SF with 30ft ceilings. The County Commissioners and Vice Chairman of Jacksonville Onslow Economic Development shared their vision for this building and more buildings to come to Onslow County.

The event was televised on WNCT Channel 9 at this link: <http://wnct.com/2017/02/06/new-building-to-expand-onslow-county-industrial-growth/>
