**Burton Park Celebration**

Earlier today, JOED held an event to recognize and thank the Onslow County Commissioners for their vision and dedication to the economic growth of Onslow County. Their proactive action to expand the road into the industrial area of Burton Park will give access to the remaining 250 acres available. In addition, the recent awarding of the contract to construct a 30,000 SF industrial building gives JOED a valuable tool in the very competitive environment of industry recruitment.

In the event you were unable to join us, you can watch the program on this link: <https://youtu.be/t-uHRI800bU>
