- Legacy Circle members have the opportunity to fill out a Pet Information Form, which includes a letter to your dog or cat's new caregiver, to guide Young at Heart staff in finding the perfect placement for your beloved pet.
- Young at Heart staff will be available to pick up your pet within the immediate Chicagoland area if the guardian is unable to make transport arrangements.
- Upon arrival, your pet will be evaluated both medically and behaviorally to receive any care that is needed.
- Young at Heart will attempt to adopt out pairs together. Please contact us if you would like to enroll more than 4 pets in the Furever Loved™ program.
- Young at Heart screens all potential adopters, and will have personalized placement in accordance to your Pet Information Form. You can rest easy knowing that your pets have a home for life in our sanctuary program should we be unable to find a perfect adoption situation for your beloved pet.

Who will care for your beloved pets should the unexpected happen?

FUREVER LOVED™

At Young at Heart, we understand that pets are family. They fill our lives with love and companionship, comfort and joy. You have promised to care for your pet for life. But what happens to your pet should the unexpected happen to you? Our Furever Loved™ program can help.

A PROMISE OF LOVE EVER AFTER.

While friends or family may be able to provide a permanent home for your dog or cat, we understand that this is not always possible. Our Furever Loved™ legacy pet care program was developed as an alternative for pet lovers like you.

Furever Loved™ is a special offering for members of our Legacy Circle who have pledged a commitment to helping senior pets by including Young at Heart in their estate plans. Young at Heart will ensure that your pet will always have a life filled with love and the highest quality of care.

Our pets are family, filling our lives with love, joy, and companionship. But what happens to them if something happens to you?
