Every person or entity who is an owner of a fee or undivided fee simple interest in any of the Lots shall be a Member of the Association. The Association shall be organized and governed as follows:

3.1. Purposes. The purposes of the Association shall be:

- a. To operate, maintain and preserve all Common Areas, and all roads, streets, decorative and protective structures (including but not limited to entry monuments and buffer walls), ponds, lakes, utilities, landscaped areas and other improvements located thereon, if any;

The Association shall also have all rights and powers and shall perform all duties and functions that may be assigned to it by Declarant pursuant to this Declaration.

3.3. Voting Rights and Meetings. On matters of Association business submitted to vote of the membership, there shall be two classes of membership:

Class A. Every person who is an Owner, with the exception of the Declarant, shall be a Class A Member. Class A Members shall be entitled to one (1) vote per Lot. No more than one vote per Lot may be cast by Class A Members, regardless of the number of Owners of a given Lot.

Class B. The Declarant shall be the sole Class B Member. The Class B Member shall be entitled to one (1) vote for each Lot it owns, plus one (1) vote for each Lot owned by a Person other than the Declarant. The Class B membership shall cease and shall be converted to Class A membership at such time as the first of the following events occur: (i) the date that all the Lots in the Community have been conveyed by the Declarant to other Owners; (ii) the surrender by the Declarant of the right to appoint or remove any officer of the Association or member of the Board by a Recorded Document executed by the Declarant; or (iii) the expiration of Declarant's rights to appoint or remove any officer of the Association or member of the Board pursuant to Article XI below.

Article IV. Use and Occupancy of Lots and Common Areas.

4.1 Fundamental Restriction on Use.

The Lots and Common Area shall be used for residential and related purposes only, subject to and consistent with the Governing Documents, including the Rules and Regulations. Notwithstanding the above, home business use ancillary to the primary residential use of a Lot is permitted, subject to the Rules and Regulations and all applicable laws and ordinances of governmental authorities.

4.2 Fundamental Restriction on Occupancy.

All Occupants of a single Lot shall be members of a single family. For purposes of this Declaration, a single family unit is defined as a group of individuals related by blood, marriage, adoption, or guardianship, or not more than three (3) persons not so related, living together as a single housekeeping unit. The number of Occupants on each Lot shall also be reasonably limited by the Lot's size and facilities and by a policy against disproportionate use of the Common Areas.

4.3 Additional Restrictions on Use and Occupancy of Lots.

Use and occupancy of all Lots shall be restricted as follows:

4.3.1 Completion of Construction. Once construction of any structure located within the Community is begun, it must be prosecuted diligently and must be completed within twelve months of its commencement, unless otherwise approved in writing by Declarant.

4.3.2 Subdivision of Lots. No dwelling shall be erected on less than one Lot and no Lot shall be subdivided; however, owners of adjoining Lots may adjust a common boundary line, provided that the adjustment conforms in all respects with all applicable governmental regulations and ordinances, and with this Declaration.

4.3.3 Signs. No signs of any kind shall be displayed to public view on any Lot, right of way or Common Area. This provision shall not apply to professionally prepared signs placed on any Lot which are used to advertise a Lot for sale or rent, provided that no such sign shall be larger than 18" x 24". Although approval of the Association or the ARC is not required prior to the display of such signs, the Association may itself remove, have removed, or require the removal of any such sign which in its opinion would not otherwise be allowed under this Declaration or as amended or supplemented. A valid easement shall exist on any Lot for such removal by the Association or its agents. The rights of Owners and Occupants to display on their Lots flags, political signs, banners and symbols normally displayed in or outside of residences in single-family residential neighborhoods shall not be abridged, except that the Association may adopt reasonable time, number, size, place and manner restrictions regulating displays which are visible from outside the Lot consistent with the provisions of 47-F-3-121 of the Planned Community Act.

4.3.4 Refuse Storage. No Lot shall be used or maintained as a dumping ground for rubbish of any character whatsoever, nor for the storage of any property or thing that will cause such Lot to appear in an unclean or untidy condition or that will be obnoxious to the eye, nor shall any substance, thing or material be kept upon any Lot that will emit foul or obnoxious odors, or that will cause any noise that might disturb the peace, quiet, comfort or serenity of the occupants of surrounding Lots. Trash, garbage or other waste shall not be burned or disposed of on any Lot and shall be kept in sanitary containers approved by the ARC. All equipment for the storage prior to disposal of such material shall be kept in a clean and sanitary condition. The placement of containers shall be approved by the ARC and, in any event, shall be kept in an enclosed area not subject to view from any person, from any direction.

4.3.5 Storage of Building Materials. No lumber, brick, stone, cinder block, concrete block, cement or other materials used for building purposes shall be stored upon any Lot longer than a reasonable time for the completion of the construction in which they are to be used.

4.3.6 Temporary Structures. No temporary structures such as sheds shall be erected or placed on a Lot without the written approval of the Declarant or the Association. Such structures, if permitted, may be used only during periods of construction, and never as a residence.

4.3.7 Parking and Vehicle Storage. Only licensed and operative vehicles, classified as passenger cars, station wagons, passenger pick-up trucks or passenger vans may be regularly on the Property. No vehicle will be permitted to park regularly on any yard or sidewalk. Recreational vehicles must be screened from view. No vehicle located on a Lot may be used as a dwelling, even temporarily.

4.3.8 Offensive Activities Prohibited. No noxious or offensive activity shall be conducted upon any Lot or Common Area, nor shall anything be conducted thereon tending to cause embarrassment, discomfort, annoyance or nuisance to the neighborhood or to the Occupants of any Lot.

4.3.9 Underground Utilities. All utility lines serving structures located on Lots shall be placed underground.

4.3.10 Mobile Homes and Manufactured Housing. No mobile home, trailer or manufactured housing shall be located on any Lot.

4.3.11 Screening. Boats, boat trailers, campers, antennae, clotheslines, pet enclosures and the like shall not be located on a Lot so as to be visible from any roadway or any other Lot.

4.3.12 Air Conditioning Units. No window or wall air conditioning units shall be permitted without the written approval of the Declarant or the Association

4.4. Rules and Regulations

In addition to the restrictions stated above, which may be modified or rescinded only by an amendment to this Declaration, use and occupancy of the Lots and Common Area shall be subject to the Rules and Regulations, which are intended to govern day-to-day use and occupancy of the Lots and Common Areas. The initial Rules and Regulations are set forth in **Exhibit C** attached hereto and incorporated herein. In order to adapt and respond to changing or unforeseen circumstances affecting the Community, the Declarant, the Association and the Owners must have the ability to change the Rules and Regulations in an expedited and inexpensive manner. Accordingly, the Rules and Regulations may be amended, supplemented and/or rescinded and restated as set forth in this Section 4.4.

4.4.1 Declarant's Authority. During the Declarant Control Period, the Declarant shall have the unilateral right to amend, supplement and/or rescind and restate the Rules and Regulations, without prior notice to the Association or to other Owners; provided that no such action by Declarant may have a materially adverse effect on title to or marketability of any Lot.

4.4.2 Board Authority. The Board may amend, supplement and/or rescind and restate the Rules and Regulations. The Board shall send notice by mail to all Members concerning any such proposed action at least five business days prior to the Board meeting at which such action is to be considered. Members shall have a reasonable opportunity to be heard at a Board meeting prior to such action being taken. The Board's decision on such action shall be final, subject only to subsection 4.4.1 above.

4.4.3 Members' Authority. Members representing more than Fifty (50%) percent of the total votes in the Association, at an Association meeting duly called for such purpose, may amend, supplement and/or rescind and restate the Rules and Regulations.

4.4.4 Conflicts. Nothing in this Article shall authorize the Board to modify, repeal or expand the Architectural Guidelines or any provision of this Declaration. In the event of a conflict between the Architectural Guidelines and the Rules and Regulations, the Architectural Guidelines shall control. In the event of a conflict between this Declaration and the Rules and Regulations, this Declaration shall control.

4.5. Limitations. The right and ability of the Declarant and the Board to amend, supplement or restate the Rules and Regulations shall be limited as follows:

4.5.1. Displays. The rights of Owners to display religious and holiday signs, symbols and decorations inside structures on their Lots of the kinds normally displayed in single-family residential neighborhoods shall not be abridged, but no such display may violate the Community-Wide Standard or violate any other provision of this Declaration.

4.5.2. Activities Within Dwellings. No rule established pursuant to this Article shall interfere with the activities carried on within the confines of dwellings, except that the Association may restrict or

prohibit any activities that create costs for the Association or other Owners, that create a danger to the health or safety of others, that generate excessive noise, traffic or use of parking facilities, that create unsightly conditions visible outside the dwelling or that otherwise violate the provisions of this Declaration or any applicable governmental law, ordinance or regulation.

4.5.3 Alienation. No rule promulgated pursuant to this Section shall prohibit leasing or transfer of any Lot or require consent of the Association or Board for leasing or transfer of any Lot; however, the Association may require a minimum lease term of six (6) months and otherwise regulate the leasing of Lots.

4.5.4 Abridging Existing Rights. No rule shall require an Owner to dispose of personal property that was in or on a Lot prior to the adoption of such rule and which was in compliance with all rules previously in force. This limitation shall apply only for the duration of such Owner's ownership of the Lot personally, and this right shall not run with title to any Lot.

The limitations stated in this subsection shall not apply to amendments to this Declaration.

4.6 Common Area Administrative Rules.

The Board may promulgate and enforce administrative rules and regulations governing use of the Common Areas without notice to the Members or any hearing. Examples of such administrative rules and regulations shall include, but not be limited to, setting hours of operation of a recreational facility or allocating or reserving use of a facility by particular individuals at particular times.

4.7 Notice to Purchasers and Mortgagees.

All prospective purchasers and mortgagees are given notice that use of the Lots and the Common Area is restricted and governed by the Rules and Regulations, as they may be amended, expanded, and otherwise modified hereunder. Each Purchaser, by acceptance of a deed, acknowledges and agrees that the use, enjoyment and marketability of his or her Lot shall be affected by the Rules and Regulations which may change from time to time, and that the current Rules and Regulations may not be set forth in a Recorded Document. **Take notice that the Declarant or the Association may have changed the initial Rules and Regulations since the recording of this Declaration.** The Association shall provide a copy of the current Rules and Regulations to any prospective purchaser Member or Mortgagee upon written request and payment of the reasonable cost of such copy.

Article V. Architecture and Landscaping

5.1. General.

No structure or thing, including but not limited to fences, pools and solar collectors, shall be placed, erected, or installed upon any Lot and no improvements or other work (including staking, clearing, excavation, grading, and other site work, exterior alterations of existing improvements, or planting or removal of landscaping) shall take place on any Lot except pursuant to approval and in compliance with this Article and the Architectural Guidelines.

No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and

specifications. Any Owner may remodel, paint, or redecorate the interior of a dwelling located on his or her Lot without approval; provided that modifications to the interior of a dwelling visible from outside the structure shall be subject to approval.

Any improvements constructed on a Lot shall be designed by and built in accordance with the plans and specifications of a licensed architect unless otherwise approved by Declarant or its designee in its sole discretion.

This Article shall not apply to Declarant's activities or to the Association's activities during the Declarant Control Period.

5.2. Architectural Review.

5.2.1 By Declarant. Each Owner, by accepting a deed or other instrument conveying any legal or equitable interest in a Lot, acknowledges that, as the developer and owner of real estate in the vicinity of and within the Community, Declarant has a substantial interest in the quality and appearance of improvements within the Community, and in determining that they enhance Declarant's reputation as a developer and do not impair Declarant's ability to market, sell, or lease its property. Therefore, no Owner shall commence any activity within the scope of this Article on his or her Lot unless and until Declarant or its designee has given its prior written approval for such activity, which approval may be granted or withheld in Declarant's or its designee's sole discretion.

In reviewing and acting upon any request for approval, Declarant or its designee shall act solely in Declarant's interest and shall owe no duty to any other Person. Declarant's rights reserved under this Article shall continue or as long as Declarant owns any portion of the real property described in **Exhibit A** or **B** or has the right to expand The Community pursuant to Section 10.1, unless earlier terminated by Declarant by a Recorded Document.

Declarant may, in its sole discretion, designate one or more Persons from time to time to act on its behalf in reviewing applications hereunder.

Declarant may from time to time, but shall not be obligated to, delegate all or a portion of its reserved rights under this Article to any other Person or committee. Any such delegation shall be in writing, specifying the scope of responsibilities delegated, and shall be subject to (a) Declarant's right to revoke such delegation at any time and reassume jurisdiction over the matters previously delegated, and (b) Declarant's right to veto any decision which Declarant determines, in its sole and exclusive discretion, to be inappropriate or inadvisable for any reason. So long as Declarant has any rights under this Article, the jurisdiction of any other Person or committee shall be limited to such matters as are specifically delegated to it by Declarant.

5.2.2 Architectural Review Committee. Upon delegation by Declarant or upon expiration of the Declarant Control Period, the Association, acting through an architectural review committee ("ARC") appointed by the Board, shall assume jurisdiction over architectural matters. The ARC shall consist of at least three, but not more than seven, Persons who shall serve and may be removed and replaced at the Board's discretion. The members of the ARC need not be Members, and may, but need not, include architects, engineers, or similar professionals, whose compensation, if any, the Board shall establish from time to time.

Unless and until such time as Declarant delegates all or a portion of its reserved rights to the Association or expiration of the Declarant Control Period, the Association shall have no jurisdiction over architectural matters.

5.3 Reviewer. For purposes of this Article, the committee or entity having jurisdiction over architectural matters in a particular case shall be referred to as the "Reviewer." The Reviewer may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers, or other professionals.

5.4 Guidelines and Procedures.

5.4.1 Architectural Guidelines. Declarant may prepare Architectural Guidelines applicable to Lots which may contain general provisions applicable to all Lots as well as specific provisions which vary among the Lots according to location, Neighborhood, use, or other factors. The Architectural Guidelines are intended to provide guidance to Owners regarding matters of particular concern to the Reviewer in considering applications hereunder. The Architectural Guidelines are not the exclusive basis for the Reviewer's decisions, and compliance with the Architectural Guidelines does not guarantee approval of any application. Further, the Architectural Guidelines may be more restrictive than guidelines followed by Wake County or as set forth in the International Builder's Code.

Declarant shall have sole and full authority to amend the Architectural Guidelines as long as it owns any portion of the real property described in **Exhibit A** or **B** or has a right to expand the Community pursuant to Section 10.1, notwithstanding a delegation of reviewing authority, unless Declarant also delegates the power to amend the Architectural Guidelines. Upon termination or delegation of Declarant's right to amend, the ARC shall have the authority to amend the Architectural Guidelines with the Board's consent. Any amendments to the Architectural Guidelines shall be prospective only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Architectural Guidelines, and such amendments may remove requirements previously imposed or otherwise make the Architectural Guidelines less restrictive.

The Association shall maintain a copy of the Architectural Guidelines, as they may exist from time to time, and shall make them available to Members or Owners for inspection and copying upon reasonable notice during the Association's business hours. In Declarant's discretion, such Architectural Guidelines may be recorded at the Wake County Registry, in which event the recorded version, as it may be amended, shall control in the event of any dispute as to which version of the Architectural Guidelines was in effect at any particular time.

5.4.2 Procedures. Except as the Architectural Guidelines otherwise specifically provide, no activity described in Section 5.1 shall commence on any Lot until an application for approval has been submitted to and approved by the Reviewer. Such application shall include plans and specifications showing site layout, exterior elevations, exterior materials and colors, landscaping, drainage, exterior lighting, irrigation, and other features of proposed construction, as applicable. The Architectural Guidelines and the Reviewer may require the submission of such additional information as deemed necessary to consider any application.

In reviewing each submission, the Reviewer may consider any factors it deems relevant, including, without limitation, harmony of external design with surrounding structures and environment. Decisions may be based solely on aesthetic considerations. Each Owner acknowledges that determinations as to such matters are purely subjective and opinions may vary as to the desirability or attractiveness of particular improvements. Subject to Declarant's veto power described below, the Reviewer shall have the sole discretion to make final, conclusive, and binding determinations on matters of aesthetic judgment. Such determinations shall not be subject to review so long as they are made in good faith and in accordance with the procedures described in this Article.

The Reviewer shall make a determination on each application within thirty (30) days after receipt of a completed application and all required information. The Reviewer may (a) approve the application, with or without conditions; (b) approve a portion of the application and disapprove other portions; (c) disapprove the application; or (d) request further or additional information. The Reviewer may, but shall not be obligated to, specify the reasons for any objections or offer suggestions for curing any objections.

Until expiration of Declarant's rights under this Article, the ARC shall notify Declarant in writing within three business days after the ARC has approved an application. The notice shall be accompanied by a copy of the application and any additional information which Declarant may require. Declarant shall have Ten (10) days after receipt of such notice to veto any such action, in its sole discretion, by written notice to the ARC and the applicant.

In any event, the Reviewer shall notify the applicant in writing of a final determination within forty-five (45) days after its receipt of a completed application and all required information. In the event that the Reviewer fails to respond in a timely manner, approval shall be deemed to have been given, subject to Declarant's veto right. However, no approval, whether expressly granted or deemed granted pursuant to the foregoing, shall be inconsistent with the Architectural Guidelines unless the Reviewer has granted a variance pursuant to Section 5.6.

Notice shall be deemed to have been given at the time the envelope containing the response is deposited with the U.S. Postal Service. Personal delivery of such written notice shall, however, be sufficient and shall be deemed to have been given at the time of delivery to the applicant.

If construction does not commence on a project for which plans have been approved within one year after the date of approval, such approval shall be deemed withdrawn, and it shall be necessary for the Owner to reapply for approval before commencing construction of any proposed improvements. Once construction is commenced, it shall be diligently pursued to completion. All work shall be completed within one year of commencement unless otherwise specified in the notice of approval or unless the Reviewer grants an extension in writing, which it shall not be obligated to do. If approved work is not completed within the required time, it shall be considered nonconforming and shall be subject to enforcement action by the Association, Declarant, or any aggrieved Member.

The Reviewer may by resolution exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution.

5.5 No Waiver of Future Approvals.

Each Owner acknowledges that the Persons reviewing applications under this Article will change from time to time and that opinions on aesthetic matters, as well as interpretation and application of the Architectural Guidelines, may vary accordingly. In addition, each Owner acknowledges that it may not always be possible to identify objectionable features until work is completed, in which case it may be unreasonable to require changes to the improvements involved, but the Reviewer may refuse to approve similar proposals in the future. Approval of applications or plans, or in connection with any other matter requiring approval, shall not constitute a binding precedent in any other matter or waiver of the right to withhold approval as to any similar applications, plans, or other matters subsequently or additionally submitted for approval.

5.6 Variances.

The Reviewer may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. No variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) estop the Reviewer from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

5.7 Limitation of Liability.

The standards and procedures this Article establishes are intended as a mechanism for maintaining and enhancing the overall aesthetics of the Community; they do not create any duty to any Person. Review and approval of any application pursuant to this Article may be based on aesthetic considerations only. The Reviewer shall not bear any responsibility for ensuring (a) the structural integrity or soundness of approved construction or modifications, (b) compliance with building codes and other governmental requirements, (c) that Lots are of comparable quality, value, size, or of similar design, aesthetically pleasing, or otherwise acceptable to neighboring property owners, (d) that views from any other Lots or the Common Area are protected, or (e) that no defects exist in approved construction.

Declarant, the Association, the Board, any committee, or any member of any of the foregoing shall not be held liable for soil conditions, drainage, or other general site work; any defects in plans revised or approved hereunder; any loss or damage arising out of the actions, inaction, integrity, financial condition, or quality of work of any contractor or its subcontractors, employees, or agents; or any injury, damages, or loss arising out of the manner or quality of approved construction on or modifications to any Lot. In all matters, the Association shall defend and indemnify the Board, the ARC, and any members thereof as provided in the Bylaws.

5.8 Certificate of Compliance.

Any Owner may request that the Reviewer issue a certificate of architectural compliance certifying that such Owner's Lot has no known violations of this Article or the Architectural Guidelines. The Association shall either grant or deny such request within Thirty (30) days after receipt of a written

request and may charge a reasonable administrative fee for issuing such certificates. Issuance of such a certificate shall stop the Association from taking enforcement action with respect to any condition as to which the Association had notice as of the date of such certificate.

5.9 View Impairment.

Neither Declarant nor the Association guarantee or represent that any view over and across any portion of the Community or any adjacent property will be preserved without impairment. Any additions or changes, whether occurring in the course of developing or maintaining the Community, may diminish or obstruct any view from Lots and any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

Article VI. Maintenance and Repair

6.1 General All areas within the Property and all areas covered by easements or licenses owned or held by the Association shall be maintained to the Community-Wide Standard, and to all other standards stated in this Declaration, any Supplemental Declaration and the Bylaws, Rules and Regulations of the Association. The Association and the individual Owners shall be responsible for such maintenance, as provided in this Article VI.

6.2 Association Responsibility. Prior to their acceptance for public maintenance, any roads, streets, entranceways and cul-de-sacs in the Community shall be maintained by the Association. Such maintenance shall include repair and reconstruction, when necessary. Maintenance of the roads, streets, entranceways and cul-de-sacs in the Community shall conform to the standard of maintenance (if one is ascertainable) which would be required by the North Carolina Department of Transportation or other governmental entity before it would accept such roads, streets, entranceways and cul-de-sacs for maintenance.

The Association shall also maintain the following:

- a. All landscaped rights-of-way and all entry features;
- b. All Common Areas, and all landscaping, paving, streets, structures and improvements of any nature located thereon; and
- c. All ponds, streams and culverts located on the Property which serve as part of any drainage and storm-water retention system.

The Association shall be responsible for paying all ad valorem taxes levied against by Common Areas by the applicable governing authority, if any.

6.3 Owner's Responsibility. Each Owner shall maintain his or her Lot and all unimproved Common Area along the boundaries of his or her Lot (e.g., area between lot line and curb). Each owner shall maintain all landscaping, paving, structures and improvements of any nature whatsoever located on his or her Lot. Each Owner's maintenance of his or her Lot and adjoining, unimproved Common Area shall include but not be limited to:

- a. Keeping the area free and clear of all litter, trash, refuse and wastes;

- b. Mowing lawns on a regular basis;
- c. Pruning trees and shrubs;
- d. Watering lawns;
- e. Keeping exterior lighting and mechanical facilities in working order;
- f. Keeping lawn and garden areas alive;
- g. Removing and replacing any dead plant material;
- h. Keeping vacant land well maintained and free of trash and weeds;
- i. Keeping parking areas in good repair;
- j. Complying with all governmental health and police requirements;
- k. Repainting of all structures; and
- l. Repair of exterior damage to all structures.

6.4 Association's Right to Perform Owner's Responsibility. If any Owner or Occupant of a Lot fails to perform any of the duties or responsibilities set forth in this subsection, then the Association or Declarant may give such person written notice of such failure and such person must within ten (10) days after receiving such notice (which notice shall be deemed to have been received upon deposit in any official depository of the United States mail, addresses to the party to whom it is intended to be delivered at that party's current address as shown by the records of the Association, and sent by certified mail, return receipt requested), perform the care and maintenance required or otherwise perform the duties and responsibilities of such Owner. Should any such person fail to fulfill this duty and responsibility within such period, then the Declarant or the Association, acting through its authorized agent or agents, shall have the right and power to enter onto the Lot in question and perform such care and maintenance without any liability for damages for wrongful entry, trespass or otherwise at any person. All Owner(s) of a Lot on which such work is performed shall be liable for the cost of such work together with interest on the amounts expended by the Association or the Declarant in performing such work computed at the rate of twelve percent (12.00%) per annum from the date(s) such amounts are expended until repaid to the Association or the Declarant, as the case may be, and for all costs and expenses incurred in seeking the compliance of such Owner with his duties and responsibilities hereunder, and shall reimburse the Association or the Declarant, as the case may be, on demand for such costs and expense (including interest as above provided). If such Owner shall fail to reimburse the Association or the Declarant, as the case may be, within thirty (30) days after mailing to such Owner of a statement for such costs and expense by the Association or Declarant, the Association has performed the work on the Lot of the delinquent Owner(s), the Association may charge a Specific Assessment for such amounts against the Lot of such Owner(s), and proceed to collect such Specific Assessment as provided in Article IX below.

6.5 Cost of Maintenance. All costs of the Association in meeting its responsibilities pursuant to this Section shall be Common Expenses.

6.6 Conveyance of Common Area to Association; No Implied Rights. Declarant, or the owner of the property with the consent of the Declarant, may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such

conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation with the Wake County Registry of a non-warranty deed conveying any interest in real property, and the property shall thereafter be Common Area to be used and, if and as provided in this Article VI, maintained by the Association for the benefit of its Members. The Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether or not any such property has been made available for the use of Owners. Declarant, or the owner of the property with consent of Declarant, may reserve, by lease, license, easement or otherwise such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association of any property shall create any rights, easements or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements or licenses are conveyed by the Declarant or the owner of such property to the Association or the Owners, as the case may be, by an instrument recorded in the Office of the Register of Deeds of Wake County, North Carolina.

6.7 Liability. Owners, Occupants and their guests shall use the Common Area and all portions of the Community not contained within a Lot at their own risk and shall assume sole responsibility for their personal belongings used or stored thereon. All Owners and Occupants shall have an affirmative duty and responsibility to inspect the Common Area and all portions of the Community not contained within a Lot for any defects, perils or other unsafe conditions relating to the use and enjoyment thereof. The Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be held liable for personal injury to any person, nor for loss or damage to personal belongings used or stored on any of the foregoing property. The Association shall not be liable for injury or damage to any Person or property: (a) caused by the elements or by an Owner or any other Person, (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association or from any portion of the Common Property, or (c) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Nor shall the Association be liable to any Owner or Occupant for loss or damage, by theft or otherwise, of any property of such Owner or Occupant.

Article VII. Insurance.

7.1 The Association shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available.

a. Blanket property insurance for all insurable improvements on the Common Area to the extent that the Association has assumed responsibility in the event of a casualty, regardless of ownership. All property insurance policies the Association obtains shall have policy limits sufficient to cover the full replacement cost of the insured improvements under current building ordinances and codes. The Association shall be deemed trustee of all Members' interests in all insurance proceeds paid to the Association under any such policies and shall have full power to receive and to deal with such proceeds. The insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried, except as otherwise provided in this Section.

b. Commercial general liability insurance on the Common Area. Coverage shall include, without limitation, liability for personal injuries and activities in connection with the ownership, operation, maintenance, and other use of the Common Area. The Board shall use its business judgment in deciding upon per occurrence limits for such coverage and shall consider any applicable secondary mortgage guidelines relating to such coverage. The liability insurance shall name, as separately protected insureds, Declarant, any property manager, the Association, the Board, the officers of the Association, the ARC, and their respective representatives, members, agents, and employees with respect to any liability arising out of the maintenance or use of the Common Area.

c. Workers' compensation insurance and employers' liability insurance, if and to the extent required by law.

d. Directors' and officers' liability coverage.

e. Commercial crime insurance, including fidelity insurance covering all persons responsible for handling Association funds in an amount determined in the Board's business judgment but not less than an amount equal to one-quarter of the annual Base Assessments on all Lots plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation.

f. Such additional insurance as the Board, in its business judgment determines advisable.

7.2 Premiums for all insurance shall be Common Expenses unless the Board reasonably determines that other treatment of the premiums is more appropriate. The Association shall include such premiums in the assessments it levies. The Board shall review the limits of all Association insurance policies at least once a year and shall adjust the policy limits as the Board deems necessary or appropriate.

7.3 The Association shall arrange for a periodic review of the sufficiency of its insurance coverage by one or more qualified persons, at least one of whom must be familiar with replacement costs in the Wake County area. All Association policies shall provide for a certificate of insurance to be furnished to the Association and, upon request, to each Member insured.

7.4 The policies may provide for a reasonable deductible. In the event of an insured loss, the deductible shall be treated as a Common Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the Bylaws, that the loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Board may assess the full amount of such deductible against such Owner(s) and their Lots as a Specific Assessment pursuant to Section IX below.

7.5 All insurance coverage obtained by the Board shall:

a. be written with a company authorized to do business in North Carolina which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate and carries a Best rating of AA or better;

b. be written in the name of the Association as trustee for the benefited parties. (policies on the Common Areas shall be for the benefit of the Association and its Members);

- c. not be brought into contribution with insurance purchased by Owners, Occupants, or their Mortgagees individually;
- d. contain an inflation guard endorsement;
- e. include an agreed amount endorsement, if the policy contains a coinsurance clause;
- f. provide that each Owner is an insured person under the policy with respect to liability arising out of such Owner's membership in the Association or interest in the Common Area as a Member in the Association (provided, this provision shall not be construed as giving any Owner any interest in the Common Area other than that of a Member);
- g. include an endorsement precluding cancellation, invalidation, suspension or non-renewal by the insurer conditioning recovery on account of an act or omission of any one or more Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure; and
- h. include an endorsement precluding the insurer from denying a claim by an Owner or conditioning recovery under the policy based upon or due to the negligent acts or omissions of the Association or any other Owner.

7.6 In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners (as a class) as additional insureds for claims arising in connection with the ownership, existence, use or management of the Common Area and provide:

- a. a waiver of subrogation as to any claims against the Association's board of directors, officers, employees and its manager, or the Owners and their tenants, servants, agents and guests;
- b. a waiver of the insurer's rights to repair and reconstruct instead of paying cash; and
- c. an endorsement requiring at least 30 days' prior written notice to the Association of any cancellation, substantial modification or non-renewal

Article VIII. Repair and Reconstruction of Association Property.

The Association shall have the authority and the duty to repair or reconstruct Common Area or other property which the Association is obligated to insure ("Insured Property") that is damaged or destroyed unless such repair or reconstruction would be illegal under any state or local ordinance governing health or safety, or Members representing at least eighty-eight percent (88%) percent of the total vote of the Association vote not to repair or reconstruct.

Except as otherwise provided in this Section, the Board shall diligently pursue to completion the repair or reconstruction of that part of the Insured Property damaged or destroyed. The Association may take all necessary or appropriate action to affect such repair or reconstruction. Such repair or reconstruction shall be in accordance with the original plans and specifications unless other plans are approved by the Board.

The proceeds of any insurance collected shall be available to the Association for the purpose of repair or reconstruction of Insured Property. If the proceeds of insurance are insufficient to pay the estimated or actual cost of such repair or reconstruction, then the Board, pursuant to Section IX may levy in advance a Special Assessment sufficient to provide funds to pay such estimated or actual costs of repair or reconstruction. Such assessment shall be allocated and collected as provided in Article IX. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair or reconstruction. The insurance proceeds held by the Association and the amounts of any such Special Assessments shall constitute a fund for the payment for costs of repair or reconstruction after casualty. If a balance exists after payment of all costs of such repair or reconstruction, such balance shall be distributed to the Owners of the Lots in proportion to the contributions made by each Owner to the Association.

If a decision is made not to restore the damaged improvements and no alternative improvements are authorized, the Association shall clear the affected property of all debris and ruins and thereafter shall maintain such improvements in a neat and attractive, landscaped condition consistent with the Community-Wide Standard. The cost of removal and landscaping shall be paid for with insurance proceeds. The Association shall retain the remaining proceeds in its general or other funds or shall allocate or distribute such funds as the Board determines appropriate, provided any such distribution of insurance proceeds shall be proportionate to the Members' interests.

Article IX. Assessments and Association Finances

9.1. Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners of Lots, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

9.2. Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association any and all assessments levied by the Association hereunder (including, without limitation, Base Assessments, Special Assessments, Specific Assessments, Ad Valorem Tax Assessments and Neighborhood Assessments) and any other charges established pursuant to the terms of this Declaration, including, but not limited to, reasonable fines as may be imposed in accordance with the terms of this Declaration and the Bylaws. In addition to the foregoing, the Board may charge each Owner a service, collection, consulting or administration fee (an "Administrative Fee") in an amount to be determined by the Board from time to time in connection with the assessment and collection of the assessments provided for in this Declaration.

Each such assessment, together with late charges (in an amount determined by the Board from time to time, but not to exceed the greater of Twenty and No/100 Dollars (\$20.00) per month or ten percent (10%) of any assessment installment unpaid or such higher amount as may be permitted by the Act), interest (at a rate not to exceed the lesser of the maximum rate permitted by law or eighteen percent (18%) per annum or such other amount as may be permitted by the Planned Community Act), costs of collection, reasonable attorney's fees actually incurred and any Administrative Fee, shall be the personal obligation of the Person who was the Owner of such Lot at the time the assessment fell due. Each Owner shall be personally liable for his or her portion of each assessment coming due while he or she is the Owner of a Lot and his or her successor-in-title shall be jointly and severally liable for such portion

thereof as may be due and payable at the time of conveyance; provided, further, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any First Mortgagee or other purchaser taking title through foreclosure proceedings or deed in lieu of foreclosure.

No Owner may waive or otherwise be exempt from liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot or non-use of the Common Area. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance or directive of any governmental or municipal authority, the obligation to pay assessments being a separate and independent covenant on the part of each Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

Assessments shall be paid at a uniform rate per Lot in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice, of assessments for delinquents; provided however, (a) notwithstanding any provision in this Declaration to the contrary, assessments to pay a judgment against the Association may be made only against the Lots in the Community at the time the judgment was entered; and (b) if any common expense is caused by the negligence or misconduct of any Owner or Occupant, the Association may assess the expenses exclusively against that Owner's Lot, as more particularly set forth in Section 9.3 hereof.

All sums assessed against any Lot pursuant to this Declaration, together with late charges (in an amount determined by the Board from time to time, but not to exceed the greater of Twenty and No/100 Dollars (\$20.00) per month or ten percent (10%) of any installment unpaid or such higher amount as may be permitted by the Planned Community Act), interest on the principal amount due (at a rate not to exceed the lesser of the maximum rate permitted by law or eighteen percent (18%) per annum or such higher amount as provided in the Planned Community Act), costs of collection, reasonable attorney's fees actually incurred and any Administrative Fee when remaining unpaid for thirty (30) days or longer, shall be secured by a lien on such Lot in favor of the Association when the Association files a claim of lien in the Wake County, North Carolina clerk of court in the manner provided by law, if filing of such lien is required by law, otherwise such lien shall automatically attach. Such lien shall be superior to all other liens and encumbrances on such Lot, except for (i) liens and encumbrances recorded before the docketing of the claim of lien, and (ii) liens for real estate taxes and other governmental assessments and charges against the Lot. This Section does not affect the priority of mechanics' or materialmen's liens.

All persons acquiring a lien or encumbrance on any Lot after this Declaration has been recorded in the Wake County, North Carolina land records shall be deemed to consent that such lien or encumbrance shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such lien or encumbrance.

9.3. Budgeting and Allocating Common Expenses.

Until the Association first levies assessments, Declarant shall be responsible for all Common Expenses. Thereafter, assessments for Common Expenses shall be levied at least annually in accordance with this Article.

At least Sixty (60) days before the beginning of each fiscal year, the Board shall prepare and approve a budget of the estimated Common Expenses for the coming year. The budget shall include any

contributions to be made to a reserve fund for repair and replacement of capital assets, based on a separate reserve budget which takes into account the number and nature of replaceable assets, the expected life of each asset and each asset's expected repair or replacement cost. The budget shall reflect the sources and estimated amounts of funds to cover such expenses, which may include any surplus to be applied from prior years, any income expected from sources other than assessments levied against the Lots and the amount to be generated through the levy of Base Assessments, Special Assessments and Ad Valorem Tax Assessments against the Lots, as authorized in Article IX. After the Declarant Control Period terminates, the annual Base Assessments shall not be increased by an amount greater than twenty (20%) percent of the annual Base Assessment of the immediately preceding calendar year.

The Association is hereby authorized to levy Base Assessments equally against all Lots subject to assessment to fund the Common Expenses. In determining the Base Assessment rate per Lot, the Board may consider any assessment income expected to be generated from any additional Lots reasonably anticipated to become subject to assessment during the fiscal year. Base Assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. Base Assessments may include, without limitation, sums for property taxes, insurance premiums, legal and accounting fees, management fees, charges for utilities and other services provided by the Association, if any, cleaning and janitor services, landscape maintenance, costs and expenses associated with the operation and maintenance of the storm water drainage facilities and storm water detention/retention pond(s) in the Community, and expenses and liabilities incurred as provided herein and in the Articles of Incorporation and Bylaws for indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

Declarant may, but shall not be obligated to, reduce the Base Assessment for any fiscal year by paying any deficit between the Common Expenses and Association funds collected pursuant to the current year's budget, or any portion of any such deficit (in addition to any amounts paid by Declarant under Section 9.7), which may be a contribution, an advance against future assessments due from Declarant or a loan, in Declarant's discretion. Any such deficit payment shall be disclosed as a line item in the income portion of the budget. Payment of such deficit, or portion thereof, in any year shall not obligate Declarant to continue payment of such deficit in future years, unless otherwise provided in a written agreement between the Association and Declarant.

9.4. Special Assessments.

In addition to other authorized assessments, the Association may levy Special Assessments to cover unbudgeted expenses or expenses in excess of those budgeted. Any such Special Assessment may be levied against the entire membership. Except as otherwise specifically provided in this Declaration, any Special Assessment shall require the affirmative vote or written consent of a majority of the Board and the consent of Declarant during the Declarant Control Period. Special Assessments shall be payable in such manner and at such times as determined by the Board and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

9.5. Specific Assessments.

The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to this Declaration, the initiation fee and the costs of maintenance performed by the Association for which the Owner is responsible shall be specific assessments. The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which are incurred to cover the costs, including overhead and administrative costs, of providing services to Lots upon request of an Owner pursuant to any menu of special services which the Association may offer (which might include the services listed in Section 6.3); (b) expenses of the Association which are incurred to cover costs incurred in bringing the Lot into compliance with the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or Occupants of the Lot, their agents, contractors, employees, licensees, invitees, or guests; and (c) expenses of the Association which are incurred as a result of the conduct of a particular Owner or Occupant or the guests, tenants, invitees or licensees of such Owner or Occupant may be assessed against the Lot of such Owner or Occupant.

9.6. Ad Valorem Tax Assessments. All ad valorem taxes levied against the Common Areas by the applicable governing authority, if any, shall be Common Expenses, and the Association may at any time of the year levy against Owners equally an "Ad Valorem Tax Assessment", in addition to the annual Base Assessments, which shall be in an amount sufficient to pay the ad valorem taxes not included as a component of the annual Base Assessments.

9.7. Neighborhood Assessments.

The Board may levy assessments against the property in a particular Neighborhood to fund actual and estimated expenses incurred by the Association for the primary benefit of property within such Neighborhood. Neighborhood assessments shall be levied as specifically budgeted from time to time by the Board of Directors for expense items such as maintenance, insurance or special services. In addition, the Board shall levy a Neighborhood Assessment upon the request of the Owners holding two-thirds (2/3) of the total association vote applicable to Lots within a Neighborhood

9.8. Authority to Assess Owners; Time of Payment. Declarant hereby establishes and the Association is hereby authorized to levy assessments as provided for in this Article and elsewhere in the Governing Documents. The obligation to pay assessments shall commence as to each Lot on the first day of the month following the date that the Lot is first occupied for residential purposes. A Lot shall be deemed to be occupied for residential purposes when it has been improved with a dwelling for which a certificate of occupancy has been issued and has been conveyed to an Owner who intends to occupy the dwelling, or, if the dwelling is occupied as a residence before such conveyance, the date of such occupancy. Any Lot which is being used by Declarant or a builder approved by Declarant as a model home for marketing and sales purposes shall not be deemed to be occupied for residential purposes and shall not be subject to assessments under this Declaration whether owned by Declarant or a builder approved by Declarant, so long as such Lot is being used as a model home and is not occupied for residential purposes. The first annual Base Assessment levied on each Lot shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Lot.

Assessments shall be paid in such manner and on such dates as the Board may establish. The Board may require advance payment of assessments at closing of the transfer of title to a Lot and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in two or more installments. Unless the Board provides otherwise, the Base Assessment shall be due and payable in advance on the first day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his Lot, the Board may require the outstanding balance on all assessments to be paid in full immediately.

9.9. Subordination of Liens to Mortgages. The lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage if, but only if, all assessments and charges with respect to such Lot authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior to the satisfaction, cancellation or foreclosure of such Mortgage or the sale or transfer of the Lot pursuant to any proceeding in lieu of foreclosure or the sale or transfer of the Lot pursuant to a sale under power contained in such Mortgage. Such subordination is merely a subordination and shall not relieve the Owner of the Lot of the personal obligation to pay all assessments coming due during such period of ownership; shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's assignee or transferee by foreclosure or by sale under power); and no sale or transfer of such Lot to the Mortgagee or to any other Person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure or pursuant to a sale under power, shall relieve any existing or previous Owner of such Lot of any personal obligation or relieve such Lot or the then Owner of such Lot from liability for any assessment authorized hereunder that becomes due after such sale and transfer.

9.10. Remedies of the Association. Any sums or charges (including assessments or installments thereof) assessed against any Lot pursuant to this Declaration which are not paid when due shall be delinquent. Any such sums delinquent for a period of more than ten (10) days shall incur a late charge (in an amount determined by the Board from time to time, but not to exceed the greater of Twenty and No/100 Dollars (\$20.00) per month or ten percent (10%) of any installment unpaid or such higher amount as may be permitted by the Planned Community Act) and interest (at a rate not to exceed the lesser of the maximum rate permitted by law or eighteen percent (18%) per annum or such higher amount as may be permitted by the Planned Community Act). The Association shall cause a notice of delinquency to be given to any member who has not paid within ten (10) days following the due date (the "Delinquency Notice"). The Delinquency Notice shall state: (i) the outstanding balance due as of the date of the Delinquency Notice; (ii) that the member has fifteen (15) days from the mailing of the Delinquency Notice (the "Grace Period") to pay the outstanding balance without being required to pay attorneys fees and court costs; (iii) the name of and contact information for a representative of the Association whom the member can contact to discuss a payment schedule for the outstanding balance; provided however, the Association shall not be required to permit payment of the outstanding balance in installments; and (iv) that if the outstanding balance is not paid within the Grace Period, the Association intends to seek payment of attorneys' fees and court costs. The Delinquency Notice must be sent by first class mail to the Lot of such member and, if different, to the mailing address of the member in the Association's records. If any such sums are not paid within thirty (30) days after the due date, the Board may accelerate and declare immediately due all such sums (including annual assessments or installments thereof) without any further notice being given to the delinquent Owner, and (i) to the extent permitted

by applicable law, a lien, as herein provided, shall attach; and (ii) a claim of lien, as herein provided, may be filed in the Wake County, North Carolina clerk of court in the manner provided by law. Such lien shall include, interest, all late charges from the date first due and payable, any Administrative Fee, all costs of collection, and, if the Owner has been provided with a Delinquency Notice and failed to pay the outstanding balance set forth therein within fifteen (15) days from the mailing of the Delinquency Notice, court costs and reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law.

Notwithstanding anything to the contrary in this Declaration, if a member does not contest the collection of the unpaid assessments and enforcement of a lien after the expiration of the Grace Period, then reasonable attorneys fees collected by the Association in connection with such debt shall not exceed One Thousand Two Hundred and No/100 dollars (\$1,200.00), or such higher amount as may be permitted by the Planned Community Act, not including costs or expenses incurred; provided however, such limitation shall not apply to judicial foreclosures or to proceedings authorized under Section 116 (d) or Section 120 of Article 3 of the Planned Community Act. The collection of the unpaid assessments and enforcement of the lien shall be deemed uncontested as long as the member does not dispute, contest or raise any objection, defense, offset or counterclaim as to the amount or validity of the unpaid assessments and lien asserted or the Association's right to collect the debt and enforce the lien.

If any sum assessed against any Lot pursuant to this Declaration remains unpaid after sixty (60) days from the due date, the Association may, as the Board shall determine, institute suit to collect such amounts and/or to foreclose its lien. The Association may foreclose the claim of lien in like manner as a mortgage on real estate under power of sale under Article 2A of Chapter 45 of the North Carolina General Statutes or in any other manner permitted by applicable law; provided however, (i) the Association may not foreclose the lien under Article 2A of Chapter 45 of the North Carolina General Statutes if the debt securing the lien consists solely of fines imposed by the Association, interest on unpaid fines, or attorneys fees incurred by the Association solely associated with fines imposed by the Association (such lien may be enforced by judicial foreclosure as provided in Article 29A of Chapter 1 of the North Carolina General Statutes); and (ii) any lien securing a debt consisting solely of Administrative Fees may only be enforced by judicial foreclosure as provided in Article 29A of Chapter 1 of the North Carolina General Statutes. Each Owner, by acceptance of a deed or as a party to any other type of a conveyance, vests in the Association or its agents, to the extent permitted by this Declaration and applicable law, the right and power to bring all actions against him or her, personally, for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as a mortgage on real estate under power of sale under Article 2A of Chapter 45 of the North Carolina General Statutes; or in any other manner permitted by applicable law. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage or convey the same.

In addition to the foregoing, in the event that an Owner is at least thirty (30) days delinquent in the payment of any assessment or charge owed to the Association, the Association may suspend the right of such Owner to vote, suspend the right of such Owner to use and enjoy the Common Area and the suspend any services or utilities which may be provided to Lots in the Community, subject to any notice requirements imposed by the institutional providers providing such services or utilities in the Community and in accordance with the notice and hearing procedure in the Bylaws.

9.11. Budget Deficits During Declarant Control.

During the Declarant Control Period, Declarant may (but shall not be required to):

a. Declarant may advance funds to the Association sufficient to satisfy the deficit, if any, between the Association's actual operating expenses and the sum of the Base, Special, Neighborhood and Specific Assessments collected by the Association in any fiscal year. Such advances shall, upon request of Declarant, be evidenced by promissory notes from the Association in favor of Declarant. Declarant's failure to obtain a promissory note shall not invalidate the debt.

b. Declarant may cause the Association to borrow any amount from a third party at the then prevailing rates for such a loan in the local area of the Community. Declarant, in its sole discretion, may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Area or any of the improvements maintained by the Association shall be given in connection with such loan.

Declarant may acquire property for, or provide services to, the Association or the Common Area. Declarant shall designate the value of the property or the services provided, and such amounts, at Declarant's request, shall be evidenced by a promissory note. Failure to obtain a promissory note shall not invalidate the obligation referred to in this Section.

9.12. Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

9.13. Statement of Account.

Upon written request of any Member, Mortgagee, prospective Mortgagee or prospective purchaser of a Lot, the Association shall issue a written statement setting forth the amount of the unpaid assessments, if any, with respect to such Lot, the amount of the current periodic assessment and the date on which such assessment becomes or became due, and any credit for advanced payments or prepaid items. Such statement shall be delivered to the requesting person personally or by certified mail, first-class postage prepaid, return receipt requested. The Association may require the payment of a reasonable processing fee for issuance of such statement.

Such statement shall bind the Association in favor of persons who rely upon it in good faith. Provided such request is made in writing, if the request for a statement of account is not processed within fourteen (14) days of receipt of the request, all unpaid assessments that became due before the date of making such request shall be subordinate to the lien of a Mortgagee that acquires its interest after requesting such statement.

9.14. Exempt Property.

The following property shall be exempt from payment of Base Assessments, Specific Assessments, Special Assessments, Ad Valorem Tax Assessments and Neighborhood Assessments:

- a. all Common Area;

- b. any property dedicated to and accepted by any governmental authority or public utility; and
- c. any and all property owned by the Declarant.

Article X. Expansion of the Community

10.1. Expansion by Declarant.

Until all property described in **Exhibit B** has been subjected to this Declaration or twenty (20) years after the Recording of this Declaration, whichever is earlier, Declarant reserves the right, but not the obligation, to subject unilaterally to the provisions of this Declaration all or any portion of the real property described in **Exhibit B** which Declarant currently owns or to which Declarant may obtain title in the future. Declarant may transfer or assign this right to subject property to this Declaration, provided that the transferee or assignee is the developer of or owns at least a portion of the real property described in **Exhibit B**, and provided that the transfer or assignment is evidenced by a Recorded Document.

Declarant shall subject additional property to this Declaration by recording an Annexation Declaration describing the property being subjected. Such Annexation Declaration shall not require the Members' consent but shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the recording of such Annexation Declaration unless otherwise provided therein.

10.2. Expansion by the Association.

Upon termination of the Declarant Control Period, the Association may subject any real property to the provisions of this Declaration with the consent of the owner of such property, if authorized by the affirmative vote of Members representing Sixty-seven (67%) percent of the total existing votes in the Association.

The Association shall subject such property by recording an Annexation Declaration describing the property being subjected. Any such Annexation Declaration shall be executed by the Association and the owner of the subject property, and shall be certified by the Secretary of the Association to have been authorized by the requisite vote of the Members of the Association.

10.3. Withdrawal of Property. Declarant reserves the right to amend this Declaration so long as it has a right to annex additional real property to the Community pursuant to this Article for the purpose of removing any portion of the Community then owned by Declarant or the Association from the coverage of this Declaration, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Community, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community. Any such withdrawal shall be accomplished by filing an amendment to the Declaration executed by Declarant describing the property to be removed. Such amendment shall be executed by the Declarant and the owner(s) of the property being removed if said property is not owned by the Declarant and shall not require the vote or consent of members of the Association and shall be effective upon the filing of record in the Office of the Register of Deeds of Wake County unless a later effective date is provided therein.

Article XI. Declarant Rights.

11.1. Reasonable Rights To Develop.

Declarant, builders approved by Declarant and/or their contractors or subcontractors may construct improvements to or within the Community including to the Lots. The completion of such construction and the sale or other disposal of the Lots is essential to the establishment and welfare of the Community. Therefore, during the Declarant Control Period, nothing in this Declaration or the other Governing Documents shall be construed to:

a. prevent Declarant, builders approved by Declarant, or their contractors or subcontractors from doing whatever is reasonably necessary or advisable in connection with the commencement or completion of the above-described work throughout the Community;

b. prevent Declarant or its representatives from erecting, constructing, and maintaining anywhere in the Community such structures as reasonably may be necessary for the conduct of its business of completing the work, establishing Craig Street Commons as a residential Community and disposing of the Lots by sale, lease, or otherwise; or

c. prevent Declarant and/or builders approved by Declarant from maintaining such signs and conducting such activities in any part of the Community owned by Declarant and/or builders approved by Declarant as Declarant and/or builders approved by Declarant may deem to be reasonably necessary for the sale, lease, or disposition of Lot

Nothing in this Section shall give Declarant and/or builders approved by Declarant the right to damage any Lot or other property not owned by Declarant and/or builders approved by Declarant.

11.2. Construction of Improvements.

During the Declarant Control Period, Declarant and its employees, agents and designees shall have a right of access and use and an easement over and upon all of the Common Area for the purpose of making, constructing and installing such improvements to the Common Area as it deems appropriate in its sole discretion.

11.3. Right to Approve Additional Covenants.

During the Declarant Control Period, no person or entity shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Community without Declarant's prior written approval. Any instrument recorded without such consent shall be void and of no force and effect unless Declarant subsequently consents in a Recorded Document.

11.4. Right to Transfer or Assign Declarant Rights.

Any or all of Declarant's rights or obligations set forth in this Declaration or the Bylaws may be transferred in whole or in part to other persons; however, the transfer shall not reduce an obligation or enlarge a right beyond that which Declarant has under this Declaration or the Bylaws. No such transfer

or assignment shall be effective unless evidenced by a Recorded Document. The foregoing sentence shall not preclude Declarant from permitting other persons to exercise, on a one-time or limited basis, any right reserved to Declarant in this Declaration where Declarant does not intend to transfer such right in its entirety. In such case it shall not be necessary to record any written assignment unless necessary to evidence Declarant's consent to such exercise.

11.5. Exclusive Rights to Use Name of Development.

During the Declarant Control Period, no person or entity shall use the name "Craig Street Commons" or any derivative of such name in any printed or promotional material without Declarant's prior written consent. However, Owners may use the name "Craig Street Commons" in printed or promotional matter where such term is used solely to specify that particular property is located within the community and the Association shall be entitled to use the words "Craig Street Commons" in its name.

11.6. Right to Approve Changes in Community Standards.

During the Declarant Control Period, no amendment to or modification of any Rules and Regulations or Architectural Guidelines shall be effective without Declarant's prior written approval.

11.7. Easement to Inspect and Right to Correct.

11.7.1. Easement. Declarant reserves for itself and such other persons as it may designate perpetual non-exclusive easements throughout The Community to the extent reasonably necessary for the purposes of accessing, inspecting, testing, redesigning or correcting any portion of the Community including Lots and Common Areas. Declarant shall have the right to redesign or correct any part of the Community, including Lots owned by Declarant and Common Areas.

11.7.2. Right of Entry. Entry onto a Lot shall be after reasonable notice, except in an emergency. Entry into a structure on a Lot shall be only after Declarant notifies the Lot's Owner and agrees with the Owner regarding a reasonable time to enter the structures on such Lot to perform such activities.

11.7.3. Damage. Declarant shall promptly repair any damage to a Lot or the Common Area resulting from the exercise of the easement or right of entry described in subsections 11.7.1 and 11.7.2 of this Section at its own expense. The exercise of these easements shall not unreasonably interfere with the use of any Lot, and entry onto any Lot shall be made only after reasonable notice to the Owner or Occupant.

11.8. Appointment or Removal of Members of the Board and officers. During the Declarant Control Period, Declarant shall have the right to appoint or remove any member of the Board or officer of the Association.

11.9. Amendment to Declaration. During the Declarant Control Period, Declarant shall have the right to amend or rescind and restate this Declaration by a Recorded Document, without approval or joinder of the Association or any other Party, except as provided in Section 12.2 below.

11.10. Review of Design and Construction. During the Declarant Control Period, Declarant shall have the right to control the design, quality, installation and construction of improvements within the Community as provided in Article V above.

Article XII. Easements and Storm Water Covenants

12.1. Easements.

12.1.1 Owners' Easements of Enjoyment. Except as limited by this Declaration and the Planned Community Act, Declarant hereby reserves unto itself, its successors and assigns, and grants to the Association and to every Owner a non-exclusive easement of use and enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Lot. Except as limited by this Declaration and the Planned Community Act, any Owner may delegate his or her rights of use and enjoyment of the Common Area to the members of his or her family, tenants, contract purchasers who reside on the Property, or guests.

12.1.2 Walks, Drives, Parking Areas, and Utilities. Declarant hereby reserves unto itself, its successors and assigns, and grants to the Association (after the expiration of the Declarant Control Period) the right to subject all portions of the Property designated or to be designated as Common Area to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage facilities and for the maintenance of and general access to all stormwater control structures, gas lines, telephone and electric power lines, television antenna lines, other utilities, ingress, egress and regress and otherwise as it deems to be in the best interests of and necessary and proper for, the Community or any portion thereof.

12.1.3 Encroachments and Declarant's Easement to Correct Drainage. Declarant hereby reserves, for the benefit of itself, its successors in interest and assigns, and grants to the Association, the Owners, their heirs, successors and assigns, over all Lots and the Common Area easements for the encroachment of initial improvements constructed on any Lots or Common Area to the extent that such initial improvements actually encroach, including, without limitation, such items as overhanging eaves, gutters, downspouts, exterior storage rooms, bay windows, steps and walls, upon any of the other portions of the Property. Any easement(s) for encroachment shall include an easement(s) for the maintenance and use of the encroaching improvements in favor of Declarant, the Association, the Owners and all of their designees. For a period of twenty-five (25) years from the date of conveyance of the first Lot in a parcel or section, the Declarant reserves for itself and its successors in interest and assigns a blanket easement and right-of-way on, over, and under the ground within that parcel, phase or section to maintain and to correct drainage or surface water in order to maintain reasonable standards of health, safety and appearance. Such rights expressly include the right to cut any trees, bushes or shrubbery, make any gradings of the soil or take any other similar action reasonably necessary. After such action has been completed, the Declarant shall restore the affected Property to its original condition to the extent practicable. Declarant shall give reasonable notice of intent to take such action to all affected owners. These rights and reservations are assignable by the Declarant.

12.1.4 Easement for Entry Features. Declarant hereby reserves for the benefit of itself, its successors and assigns in interest and assigns and grants to the Association an easement for ingress, egress, installation, construction landscaping and maintenance of entry features and similar streetscapes for the Community, over and upon each Lot and all Common Area. The easement and right herein reserved shall include the right to cut, remove and plant trees, shrubbery, flowers and other vegetation around such entry features and the right to grade the land under and around such entry features.

12.1.5 Construction and Sale Period Easement. Notwithstanding any provisions contained in the Declaration, the Bylaws, the Articles of Incorporation, use restrictions, rules and regulations, design guidelines, and any amendments thereto, until Declarant's right unilaterally to subject property to this Declaration terminates and thereafter so long as Declarant owns any property in the Community for development or sale, Declarant reserves an easement across the Community for Declarant and any builder approved by Declarant to maintain and carry on development, construction, and sales activities related to property within or near the Community, upon such portion of the Community as Declarant may reasonably deem necessary. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient or incidental to the development, construction and sales activities related to property within or near the Community. This easement shall include, without limitation: (i) the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on or in any portion of the Community as well as any Lot in the Community; (ii) the right to tie into any portion of the Community with driveways, parking areas and walkways; (iii) the right to tie into or otherwise connect and use (without a tap-on or any other fee for doing so), replace, relocate, maintain and repair any device which provides utility or similar services; (iv) the right (but not the obligation) to construct recreational facilities on the Common Area; (v) the right to carry on sales and promotional activities in the Community; (vi) the right to place direction and marketing signs on any portion of the Community, including any Lot or Common Area; and (vii) the right to construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development and sales activities. Further, the Declarant and any builder approved by Declarant may use residences, offices or other buildings owned or leased by Declarant or such builder as model residences and sales offices, and may also use recreational facilities available for use by the Community as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the person causing the damage at its sole expense. This section shall not be amended without the Declarant's express written consent until the Declarant's rights hereunder have terminated as provided in this Declaration.

12.1.6 Irrigation. Declarant hereby reserves for the benefit of itself, its successors and assigns in interest and assigns and grants to the Association a non-exclusive, blanket easement over the Property to pump water from ponds, lakes and other bodies of water located within the Community for irrigation purposes and to maintain, repair and remove irrigation systems to serve landscaping in Common Areas.

12.1.7 Fence Easement. Declarant hereby reserves for the benefit of itself, its successors and assigns in interest and assigns and grants to the Association an easement across any Lot which borders upon or contains a portion of any water facility, detention pond, or retention pond for the purpose of access to such facility or pond, and for the purpose of erecting any fence which is either required by the subdivision development and construction plans or governmental regulation, rule, ordinance, or plan approval requirement.

12.1.8 Easement to Government Entities. Declarant hereby assigns and grants a perpetual, non-exclusive easement for the benefit of municipal, State or public utilities serving the area, their agents and employees, over all Common Area hereby or hereafter established for setting, removing and reading utility meters, maintaining and replacing utility connections, and Declarant assigns and grants a perpetual, non-exclusive easement for emergency and public services over the Property for the benefit of other public safety and welfare services or agencies, including, without limitation, garbage collection, mail delivery, police and fire protection.

12.1.9 Easement and Right of Entry for Repair, Maintenance and Reconstruction. If any dwelling is located closer than four (4) feet from its lot line, the Owner thereof shall have a perpetual

access easement over the adjoining lot to the extent reasonably necessary to perform repair, maintenance or reconstruction of his or her home. Such repair, maintenance or reconstruction shall be done expeditiously and, upon completion of the work, the Owner shall restore the adjoining Lot to as near the same condition as that which existed prior to the commencement of the work as is reasonably practicable.

12.1.10 Use of Common Area. Subject to any limitation or restriction set forth in this Declaration, Declarant declares that the Common Area is subject to a perpetual, non-exclusive easement in favor of Declarant, the Association and their designees, the Owners and all their family members, guests, invitees and tenants, and appropriate governmental and quasi-governmental agencies to use the Common Area for all proper and normal purposes including, but not limited to, ingress, egress and access for the furnishing of services and utilities and for such use of the facilities as the same are reasonably intended in accordance with the terms of this Declaration and any Annexation or Supplemental Declaration. If ingress or egress to any Lot or other portion of the Property is through any Common Area, any conveyance or encumbrance of such area is subject to this easement.

12.1.11 Right of the Association and Declarant to Enter Upon the Common Area. Declarant hereby reserves for the benefit of itself, its successors in interest and assigns, and grants to the Association and all agents, employees or other designees of Declarant or the Association an easement for ingress, egress and access to enter upon or over the Common Area for the purposes of inspecting any construction, proposed construction, or improvements or fulfilling the rights, duties and responsibilities of ownership, administration, maintenance and repair of Declarant or the Association, as appropriate. Such easement includes an easement in favor of the Association and Declarant to enter upon the Common Area now or hereafter created to use, repair, maintain and replace the same for the purposes for which they are initially designated or for such purposes as they are hereafter redesignated or as Declarant otherwise determines them to be reasonably suited. Notwithstanding the foregoing, nothing contained herein shall be interpreted as imposing any obligation upon the Association or Declarant to maintain, repair, or construct improvements which an Owner is required to maintain, construct or repair.

12.1.12 Right-of-Way Over Roadways. Declarant hereby reserves, for the benefit of itself, its agents, employees, lessees, invitees, designees, successors and assigns, and grants to the Association, its agents, employees, tenants, invitees, designees, successors and assigns, and to each Owner of a Lot or Tract, their family members, tenants, guests, invitees, successors and assigns, and to each Occupant of a Lot and to all governmental and quasi-governmental agencies and service entities having jurisdiction over the Property while engaged in their respective functions, a perpetual, non-exclusive easement, license, right and privilege of passage and use, both pedestrian and vehicular, over and across any roads, streets, entranceways and cul-de-sacs in the Community for the purpose of providing access, ingress and egress to and from, through and between the Property.

12.1.13 Utility and Drainage Easements. The Property shall be subject to all easements and rights-of-way for utilities and drainage shown on any Recorded Document. Such easements are hereby reserved for the use of Declarant, its successors and assigns, and are hereby established for the use of the Association, its successors and assigns. Additionally, Declarant hereby reserves, for the benefit of itself, its successors and assigns, and grants to the Association, its successors and assigns, a non-exclusive easement and right-of-way over, under and along a 10-foot strip of land adjacent to the front, side and rear boundary lines of all Lots within the Property for the installation and maintenance of lines, conduits, pipes and other equipment necessary for furnishing electric power, gas, telephone service, cable service, water, irrigation, sanitary sewer and drainage facilities, storm drainage and/or other utilities. Within the above-described easements no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation of utilities or which may change the direction or flow of drainage channels in the easements. This reservation of easement shall not prohibit the construction of driveways, at locations approved by the ARC, over such easements.

12.1.14 Declarant's Right to Assign Easements; Maintenance of Easement Areas. Declarant shall have the right to assign and convey, in whole or in part, the easements reserved by it hereunder. The areas burdened by the easements and rights-of-way reserved by Declarant on each Lot or other portion of the Property pursuant hereto, including any improvements in such areas, which are not to be maintained by the Association or a public authority or utility, shall be maintained continuously by each Owner of such Lot or other portion of the Property, but no structures, plantings or other material shall be placed or permitted to remain upon such area or other activities undertaken thereon which may damage or interfere with the installation or maintenance of utilities or other services, or which may retard, obstruct or reverse the flow of water or which may damage or interfere with established slope ratios or create erosion problems. Notwithstanding the above, the Association and/or Declarant shall have the right, but not the obligation, to maintain the landscaping in the easement areas on any Lot.

12.1.15 Easement Reserved for the Association and Declarant. Full rights of access, ingress and egress are hereby reserved by Declarant for itself and the Association at all times over and upon any Lot or other portion of the Property for the exercise of the easement rights described in this Article XII and for the carrying out by Declarant or the Association of the rights, functions, duties and obligations of each hereunder; provided, that any such entry by Declarant or the Association upon any Lot or portion of the Property shall be made with the minimum inconvenience to the Owner of such property as is reasonably practical, and any damage caused as a result of the gross negligence of Declarant, the Association or their employees or agents shall be repaired by Declarant or the Association, as the case may be, at the expense of Declarant or the Association, as the case may be.

12.1.16 Additional Easements. Declarant shall have the right to grant over, under, across and upon any portion of the Property owned by Declarant, and the Board shall have the authority, in its sole discretion, to grant over, under, across and upon the Common Area, such easements, rights-of-way, licenses and other rights in accordance with or to supplement the provisions of this Declaration or as may otherwise be desirable for the development of the Community, by the execution, without further authorization, of such grants of easement or other instruments as may from time to time be necessary or desirable. Such easements may be for the use and benefit of persons who are not Members or Owners. After such time as the members of the Board are no longer appointed by Declarant, the Board shall cooperate with Declarant and execute such grants of easements over the common Areas as may be desirable to Declarant for the development of the Community and the preservation and enhancement of Declarant's interest therein.

12.2 Storm Water Management Covenants. The covenants stated above are intended to ensure ongoing compliance with any and all governmental and municipal regulations.

Article XIII. Dispute Resolution and Limitation on Litigation.

13.1 Consensus for Association Litigation.

Except as provided in this Section, the Association shall not commence a judicial or administrative proceeding without the approval of Members representing at least eighty-eight (88%) percent of the total votes of the Association. This Section shall not apply, however, to (a) actions by the Association to enforce the Governing Documents (including, without limitation, the imposition of fines, the suspension of privileges or services or the foreclosure of liens); (b) the collection of assessments; (c) proceedings involving challenges to *ad valorem* taxation; or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is

approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

Prior to the Association or any Member commencing any judicial or administrative proceeding to which Declarant is a party and which arises out of an alleged defect in the Community or any improvement constructed thereon, Declarant shall have the right to meet in good faith and discuss the subject of the proceeding with the Members or the particular Member, and to access, inspect, correct the condition of or redesign any portion of the Community, including any improvement as to which a defect is alleged. In addition, the Association or the Member shall notify the builder who constructed such improvements prior to retaining any other expert witness or for other litigation purposes.

13.2. Alternative Method for Resolving Disputes.

Declarant, the Association, its officers, directors and committee members, all Persons subject to this Declaration, any builder within the Community, and any Person not otherwise subject to the Declaration who agrees to submit to this Article (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes involving the Community without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to use good faith efforts to resolve those claims, grievances, or disputes described in Section 13.3 ("Claims") using the procedures set forth in Section 13.4 hereof.

13.3. Claims.

Unless specifically exempted below, all Claims arising out of or relating to the interpretation, application, or enforcement of the Governing Documents, or the rights, obligations, and duties of any Bound Party under the Governing Documents or relating to the design or construction of improvements in the Community (other than matters of aesthetic judgment under Article V, which shall not be subject to review) shall be subject to the provisions of Section 13.4.

Notwithstanding the above, unless all parties thereto otherwise agree, the following shall not be Claims and shall not be subject to the provisions of Section 13.4:

- a. any suit by the Declarant and/or Association against any Bound Party to enforce the provisions of this Declaration;
- b. any suit by the Declarant, Association or any Owner to obtain a temporary restraining order (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the party's ability to enforce the provisions of this Declaration;
- c. any suit between Owners, which does not include Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents;
- d. any suit in which any indispensable party is not a Bound Party; and
- e. any suit as to which any applicable statute of limitations would expire within 180 days of giving the Notice required by Section 13.4.1 unless the party or parties against whom the Claim

is made agree to toll the statute of limitations as to such Claim for such period as may reasonably be necessary to comply with this Article.

With the consent of all parties thereto, any of the above may be submitted to the alternative dispute resolution procedures set forth in Section 13.4.

13.4. Mandatory Procedures.

13.4.1. Notice. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent") (collectively, the "Parties") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely:

- a. the nature of the Claim, including the Persons involved and Respondent's role in the Claim;
- b. the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);
- c. Claimant's proposed remedy; and
- d. that Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

13.4.2. Negotiation and Mediation.

a. The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in negotiation.

b. If the Parties do not resolve the Claim within Thirty (30) days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have Thirty (30) additional days to submit the Claim to mediation under an independent agency providing dispute resolution services in Wake County or surrounding areas.

c. If Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; however, nothing herein shall release or discharge Respondent from any liability to any Person other than the Claimant.

d. Any settlement of the Claim through mediation shall be documented in writing by the mediator and signed by the Parties. If the Parties do not settle the Claim within Thirty (30) days after submission of the matter to the mediation, or within such time as determined by the mediator, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that mediation was terminated.

e. Within five (5) days of the Termination of Mediation, the Claimant shall make a final written demand ("Settlement Demand") to the Respondent, and the Respondent shall make a final written settlement offer ("Settlement Offer") to the Claimant. If the Claimant fails to make a Settlement Demand, Claimants' original Notice shall constitute the Settlement Demand. If the Respondent fails to make a Settlement Offer, Respondent shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

13.4.3. Final and Binding Arbitration.

a. If the Parties do not agree in writing to a settlement of the Claim within fifteen (15) days of the Termination of Mediation, the Claimant shall have fifteen (15) additional days to submit the Claim to arbitration in accordance with the rules of arbitration promulgated or observed by the agency providing the arbitrator. If not timely submitted to arbitration or if the Claimant fails to appear for the arbitration proceeding, the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability to Claimant arising out of such Claim; however, nothing herein shall release or discharge Respondent from any liability to parties other than Claimant.

b. This subsection 13.4.3(b) is an agreement to arbitrate and is specifically enforceable under any applicable arbitration laws of the State of North Carolina. The arbitration award ("Award") shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent permitted under the laws of North Carolina.

13.5. Allocation of Costs of Resolving Claims.

13.5.1. Subject to Section 13.5.2, each Party shall bear its own costs, including attorneys' fees, and each Party shall share equally all charges rendered by the mediator(s) and all filing fees and costs of conducting the arbitration proceeding ("Post Mediation Costs").

13.5.2. Any Award that is equal to or more favorable to Claimant than Claimant's Settlement Demand shall add Claimant's Post Mediation Costs, including reasonable attorney's fees, to the Award, such costs to be borne equally by all Respondents. Any Award that is equal to or less favorable to Claimant than any Respondents' Settlement Offer shall award such Respondent its Post Mediation Costs, including reasonable attorney's fees.

13.6. Enforcement of Resolution.

If the Parties agree to a resolution of any Claim through negotiation or mediation in accordance with Section 13.4 and any Party thereafter fails to abide by the terms of such agreement, or if any Party fails to comply with an Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth in Section 13.4. In such event, the Party taking action to enforce the agreement shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement, including, without limitation, attorneys' fees and court costs.

Article XIV. Mortgage Provisions.

The following provisions are for the benefit of holders, insurers, and guarantors of First Mortgages on Lots in the Community. The provisions of this Article apply to both this Declaration and to the Bylaws, notwithstanding any other provisions contained therein.

14.1. Notices of Action.

An institutional holder, insurer, or guarantor of a First Mortgage which provides a written request to the Association, such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot to which its Mortgage relates, thereby becoming an (“Eligible Holder”), shall be entitled to timely written notice of:

a. any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a First Mortgage held, insured, or guaranteed by such Eligible Holder;

b. any delinquency in the payment of assessments or charges owed by a Lot subject to the Mortgage or such Eligible Holder, where such delinquency has continued for a period of sixty (60) days, or any other violation of the Governing Documents relating to such Lot or the Owner or Occupant which is not cured within sixty (60) days of receiving notice of such violation;

c. any lapse, cancellation or material modification of any insurance policy the Association maintains; or

d. any proposed action which would require the consent of a specified percentage of Eligible Holders.

14.2. No Priority.

No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the First Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

14.3. Notice to Association.

Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner’s Lot.

14.4. Failure of Mortgagee To Respond.

Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

14.5. Construction of Article XIV.

17.9 Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall not affect any of the other provisions of this Declaration, which shall remain in full force and effect.

17.10 Captions. The captions herein are inserted only as a matter of convenience and for reference, and shall not be construed to define, limit or describe the scope of any provision of this Declaration.
