

Orange County Home Preservation Coalition Initial Application

Thank you for inquiring about home repair services provided by Orange County Habitat for Humanity. In an effort to provide you with improved services, we participate in the Orange County Home Repair Coalition, which includes the following organizations: Rebuilding Together of the Triangle, Inc., Central Piedmont Community Action, Inc., the Orange County Department on Aging, the Orange County Department of Housing and Community Development, Orange County Habitat for Humanity, the Marian C. Jackson Center, Triangle J Council of Governments, and other future partners participating in the Coalition.

Together, these organizations seek to make a sustainable impact on preserving and revitalizing homes and communities and making necessary accessibility modifications and weatherization assistance to support homeowners in remaining in their homes. We help coordinate these services when the disrepair of a home imposes discomfort, the environment of a home is unsafe or the home presents a health hazard to its occupants and the homeowners are unable to make repairs themselves.

By signing this form, you are agreeing to submit an application to Orange County Habitat for Humanity, but also allowing us to share the information you provide with all organizations within the Orange County Home Preservation Coalition so that we can work together to better serve you! If you meet the initial criteria, staff from Rebuilding Together of the Triangle will contact you by telephone to set up a home visit to assess the requested repairs listed to evaluate whether or not your home is a fit for one or more of the organizations' programs.
