

HOW TO HOST A FUNDRAISER

W O M E N B U I L D 2 0 1 9

Fundraising is exactly what it sounds like; raising money in a fun way! One of our common ways to raise funds for events like Women Build is having supporters host events. It's easier than you think and you have a great time while funding strength and stability through shelter in Orange County!

We have a goal to raise \$30,000 locally for our 2019 Women Build home and we need passionate supporters like you to help. There are many different ways you can get involved:

PICK AN EVENT TYPE

Events can range from many different activities so your first plan of action needs to be to decide! Event ideas range from but are not limited to:

- Having friends over for a suggested donation meal
- An exercise class where proceeds to participate benefit Women Build
- Create craft items to sell to friends and family
- A percentage back night with a local business
- And so much more!

SPREAD THE WORD

Choose a date that works for you and any other third-party's you need to coordinate with. The earlier you get started planning, the easier it is to promote and have a great turnout. We would love to hit our fundraising goal by the final build days in early May, but can accept donations toward the project past that date.

Let as many or as few people know about the event as you want. If you're hosting a dinner at your house that you want to keep private, make sure all your neighbors and friends are invited personally. Hosting a public event through a community class? Reach out to Kaitlyn at kkopala@orangehabitat.org if you would like your event published through the Orange County social media and email platforms.

SEND MONEY TO HABITAT

After your event is over, contact Grace at 919-932-7077 ext. 219 to determine the best way to handle collecting funds. Congrats! You've helped build a home!
