

How to Get Involved

We are excited you want to get involved with Women Build! With a fundraising goal of **\$30,000**, we need passionate supporters like you to help raise these funds and build a home for a local family or individual in Orange County. Below are some of the many different ways you can get involved. Take photos while doing these and share using the **#WomenBuild2019** and **#orangehabitat** hashtags on social media!

DONATE

Making an impact can be as easy as making a monetary donation to the Women Build fund. Gifts any size will help build our 2019 home.

To donate, go to <https://www.orangehabitat.org/womenbuild>.

FUNDRAISE

Want to have some fun while raising money? Here are some great fundraising ideas!

- Create and share a personal fundraising page: <http://women-build-2019-1.everydayhero.do/>
- Having friends over for a suggested donation meal
- An exercise class where proceeds to participate benefit Women Build
- Create craft items to sell to friends and family
- And so much more!

For help with hosting an event, check out our “How to Host a Fundraising Event” document or reach out to Kaitlyn at kkopala@orangehabitat.org.

VOLUNTEER

For the first time in Orange County, Women Build is expanding into Fall build shifts on top of Spring shifts in an effort to create a year round community. Our Fall 2018 build shifts will be October 19 & 20 and Spring 2019 build shifts to take place early May 2019. We are looking for anyone (yes, men are invited too!) over the age of 18 to come out and join us!

To register to volunteer, go to <https://orangehabitat.volunteerhub.com/lp/wb/>.
