

2021 Community Supported Agriculture (CSA)

Peacehaven is once again offering its CSA Summer Farm Share program. This year the CSA program will last 20 weeks, starting the third week of May.

WHAT IS COMMUNITY SUPPORTED AGRICULTURE (CSA)?

Community Supported Agriculture (CSA) is a popular way for community members to buy fresh, seasonal food directly from Peacehaven. Community members purchase a “share” of the harvest upfront. “Shares” are similar to a subscription or membership. In return, you receive a box of produce each week for 20 weeks during Peacehaven’s growing season.

HOW DOES IT WORK?

Each week you will come to Peacehaven to pick up your share. Pick up days will be either Tuesday, 9 am – 3 pm or Saturday, 9 am – 11 am, your choice. The 20-week program begins May 18 and will end October 9, **with no CSA the week of July 4 (6/29-7/4)**. We will use best practices for the safe harvesting, handling, and packaging of your produce. A weekly share will feed a family of four. More details on the pickup procedures will be provided after sign up.

COST

The cost for the CSA 20-week share is \$600. This equates to \$30 a week for fresh, locally-grown crops! Splitting the cost and share with a friend is also an option.

ADDITIONAL DONATION

It has been a tradition at Peacehaven to donate a portion of our crops to local agencies addressing community hunger needs. Your additional donation of \$100 will allow us to continue that tradition with a goal of donating 10% of our total gross crops. With your donation, we can ensure that our partner organizations that provide food where it is most needed can receive a portion of fresh, local food. (Note: In 2020, 18% of our produce was donated.)

WHAT TO EXPECT

Here is a sampling of the vegetables you could expect during the 20 weeks:

May - lettuce, broccoli, swiss chard, cabbage, garlic, herbs

June - beans, beets, greens, squash, peas

July- beans, beets, squash, cucumbers, melons, tomatoes, peppers, onions

August- cucumbers, melons, squash, carrots, peppers, potatoes, onions

September- greens, beets, broccoli, radish, tomatoes, peppers, potatoes

October - greens, beets, broccoli, radish, gourds, pumpkins, cauliflower

HOW TO SIGN UP

To reserve your 20-week Peacehaven Farm CSA share today, please email Jeni Kirk at jeni.kirk@peacehavenfarm.org.
