

Mark Shell Ministries

Pastor Recommendations

"Mark Shell has ministered at our church for several years now. I have always appreciated that he seems to have a sense for and is fully compliant to the needs of the congregation. His messages have been instrumental in bringing the Family Worship Center to another level. I believe Mark Shell to be one of the leading voices in the church today."

Pastor Jerry Edmon

Family Worship Center - Elgin TX

"I have found that the Lord raises fresh voices when He moves us into new seasons of revelation. Mark Shell is one of those voices. He brings a fresh and much needed word to the Body of Christ about who we really are and what Jesus really bought, paid for and delivered into our hands. Mark's message is challenging to religious mindsets but it's strong Biblical foundation makes it irrefutable to those who have ears to hear."

Pastor Stan Tyra

Revolution Church - Rogers, AR

"I have had the joy of being in fellowship with him for over ten years now, since first being introduced to his ministry in both song and delivering the Word of God. He comes to Living Faith on an annual basis, and the congregation is always blessed by his anointed preaching. He has a special gift of ministering concerning the benefits of being filled with the Holy Spirit that is so effective with our people, and always results with several being filled with the Spirit in those altar services.

As pastor, I am very aware of the responsibility of knowing who I allow to stand behind the podium representing both God and the standards of Living Faith. I do not allow just "anyone" to fill that position, but I would never hesitate in any way to give the platform to Brother Mark. He is very confident in his calling and in his walk with the Lord, yet humbled at the responsibility that comes along with that calling. His knowledge of the Word is very evident as he delivers the message to the people. I am honored not only to know him as a fellow minister, but as a friend.

Please feel free to call my office should you have any questions regarding this matter. May God bless you."

We have found that Mark has a wonderful gift of teaching. He is able to bring great clarity to difficult subjects. In addition, Mark's musical talent and levity makes for an overall exciting experience. The Lord has used this ministry to touch many lives in our church.
