**Pastor Mickey Keith
Biography**

Pastor Mickey Keith and his wife Glenda founded Life Community Church, a non-denominational Christian church in Ada, Oklahoma in February 2006. Both have been involved in full-time ministry for more than 30 years.

He and his wife serve as worship, youth and children's leaders, as well as pre-school and youth camp directors and senior pastors for the church.

Pastor Keith is also President of the Independent Assemblies, a national evangelical organization of approximately 140 non-denominational churches, 60 non-profit organizations and more than 1,000 members. The Independent Assemblies provides spiritual guidance, ministerial training and fellowship opportunities in the U.S. and other nations throughout the world.

Pastor Keith carries on a tradition of Christian discipleship he learned from his father, Reverend John Keith, a pastor in southeast Oklahoma for more than 40 years.

After six years of growth, Life Community Church is now preparing for the construction of a new Life Community Church and Memorial Chapel. Working closely with LCC members Harland and Shirley Stonecipher, Pastor Keith is leading his congregation toward the next inspired chapter of the LCC community of believers.
