

Families First

Hope for Families, Strong or Struggling

The Commitment

(for Husbands and Wives)

We commit before God to take full responsibility for each other, for our children and our family.

We commit to protect and serve them and to teach them the Word of God in our home.

We commit to love and honor each other, to be faithful, honest and true under all circumstances.

We commit to teach and guide our children in the principles of Christian living through our own behavior and the guidance of our church.

We commit to work diligently to provide for the needs of our family.

We commit to treat others with integrity, kindness and respect.

We commit to following the Word of God as found in the Bible and to witnessing that truth in our daily lives.

We commit to a willingness to forgive others who have wronged us just as Jesus Christ has forgiven us for our own wrong doing.

We commit to honor God in all we do, to be faithful to His church, to obey his Word and to follow His will.

On this day, **we sincerely commit** before God, our church leaders and the members of Life Community Church to each day do our utmost to fulfill these promises.
