Life Community Church Announces “Family Matters” Series

Ada, Okla., August 20, 2013 -- Life Community Church (LCC) will host “Family Matters,” a new sermon series by Senior Pastor Mickey Keith, from September 8 – 29 at the Sunday 10:00 a.m. service and the public is invited to attend. Over four consecutive weeks, Keith will discuss the importance of Christianity in the family covenant and its value in all relationships.

The series includes:

- ξ “Does the Family Still Matter?” -- September 8
- ξ “Secrets of a Successful Family” -- September 15
- ξ “Family and the Five Love Languages” (featuring Jerry Duncan, Ph.D) -- September 22
- ξ “Kids Say the Darndest Things” -- September 29

“In developing this series, I want to not only share what ‘matters’ to families -- what makes them strong and thriving -- but I also will make a strong, declarative statement that families, particularly Christian families, do ‘matter’ and they matter a great deal,” Keith said.

The series will include teaching materials as well as practical insights Keith has gained over more than 30 years as a non-denominational Christian pastor.

“We will focus on some of the specific Biblical passages that provide insight and inspiration into why the family is important,” Keith said. “In a time when secular values are affecting our culture in so many ways, I believe it’s essential to maintain a strong link between our Christian values and our families. This is the core teaching in why ‘Family Matters,’” he said.

At Life Community Church nurseries are available for children three years and under. Life Kids and J-12 classes (for ages four-12) also meet weekly during the Sunday 10:00 a.m. service.

Life Community Church is located at 330 East 14TH Street in Ada. The church was founded by Senior Pastors Mickey and Glenda Keith in February 2006. For more information about the church, call 580-427-6230, visit the website at www.life623.com or Life Community Church on facebook.
