OUTCOME

REBUILD:
COMMUNITY DEVELOPMENT CORPORATION

With over **800 abandoned/ vacant** houses in one square mile of Allison Hill and affordable housing at an all time low, we are addressing this need for our community to live, work & thrive. Our first project on Market St. is underway to provide **9 families** affordable housing.

RESTORE:
LOVE THE HILL PROJECTS

Through blight & trash removal and beautification projects **2030 volunteers** were mobilized to impact **8890** residents in **136 blocks** of Allison Hill to create safer and more sanitary living conditions, reducing crime and giving hope.

REVIVE:
THE HILL FARM

With over **41% of youth living in poverty** and Allison Hill being a food desert, **629** volunteers were mobilized to harvest **3578.98 lbs** of produce that impacted **1177 families**. There were **516 student visits** through **27 educational events** to teach about healthy living.
